How is my Grade Determined?

Your assignments will be placed in the PowerSchool gradebook using two categories:

- Major Assessments – 60% (Tests, Long Quizzes, Projects)
- Minor Assessments – 40% (Classwork, Short Quizzes)
- Per RCS policy, this class has a teacher made Final Exam that counts 25% of the final course grade.

Participation & Preparation

- Engage in class
- Be serious about your education. Take responsibility. This is your life and future; make it a good one!
- Listen to (or read) and follow directions
- Keep an open mind. We will study a variety of topics this semester. You will probably enjoy some more than others.
- Ask questions when you need help (that's what I'm here for!)

Assignments Missed Due to Absences from School

If you miss a day of school, your missed assignments will be located in the folder for your class block on the bookcase in the front of the classroom. If you have to miss an extended amount of school due to sickness or quarantine, please communicate with me via email so I can set up a personalized plan to keep you caught up.
