Veterans High School Wins GHSA Cooperative Spirit Sportsmanship Award

HOUSTON COUNTY, GA – Veterans High School recently received a Georgia High School Association (GHSA) Cooperative Spirit Sportsmanship Award for 2020-2021. Presented by Flint Energies, this award recognizes programs whose students, athletes, coaches, spectators and others illustrate outstanding respect, fairness, honesty and responsibility before, during and after athletic competitions.

The Cooperative Spirit Sportsmanship Award extends to anyone involved in the athletic event, which honors both the school and community. To be considered for this award, anyone associated with high school activities programs, including spectators, must illustrate outstanding respect, fairness, honesty and responsibility before, during and after athletic competition.

“Congratulations to all of the region winners of the GHSA Cooperative Spirit Sportsmanship Award for 2020-2021,” says Dr. Robin Hines, GHSA Executive Director. “It is an honor for these member schools to be selected by their regions for this award. The characteristics of good sportsmanship are critical to the development of our young people as they transition into productive adults. The GHSA applauds our schools on this accomplishment and appreciates Georgia’s EMCs for their support of this outstanding recognition program.”

The awards have been presented by Georgia’s Electric Membership Cooperatives (EMC), to include Flint Energies, since 2006. Cooperative Spirit Sportsmanship Awards are presented annually by EMC representatives during fall athletic events and school assemblies to GHSA-member high schools in 56 regions and seven classifications. Veterans High is the winner in Class 5A, Region 1.
