## Highlights from Letters to Power 88

I finished nursing school in April. I was under so much stress, depressed, not knowing what to do next. One day I just started praying on my way to work for God to help me. After praying I turned the radio to Power 88. Never before had I listened to Christian music. I have not turned the dial since. It has given me such joy and helped me through many hard times. Listening to your station made me want to hear more about God. My husband and I have gone back to church. I am now confirmed at my church and just love learning more and more about God. I especially like to hear Ken Davis, he always makes me laugh. Keep up the good work! Thank you for being there.

## Underwriters help support Christian Radio

If Christian radio has made a difference in your life and you do not have a means of helping support the station financially, there are 2 other important things you can do:

1. Keep us in your prayers that God may use this radio ministry for His glory.
2. Support a business that underwrites. Thank them for their donation to help support local Christian radio and use their services when possible.

**Radio multiplies our efforts**

The earth has a surface area of nearly **197 million square miles** and people are scattered all over it.

It's no wonder there are still unreached people groups in 2022 — there's just so much ground to cover!

Luckily, radio can do some serious legwork. **Radio multiplies our efforts:** a single broadcast reaches millions, one broadcast ministers to people on the other side of the world, and a program speaks to those with whom we'd otherwise not be physically able to connect.

What an incredible tool we have at our fingertips!

**Power 88 is radio with a vision**
