6. Report of Principal

We are proud to celebrate several outstanding staff members for their well-deserved recognitions. Our *My Teacher is Tops* recipient is Ms. Martin, who is receiving this honor for the second time—a true testament to her continued excellence and dedication. Congratulations as well to Ms. Rebekah Boyd, our Teacher of the Year, who will represent our school in the county Teacher of the Year competition. We are also excited to recognize Ms. Hunley as our Support Person of the Year. She serves as Ms. Boyd's paraprofessional and will be graduating in May. Our Teacher of the Month is Jan DeVoursney, an interrelated teacher and our Lead Special Education Teacher, whose leadership and commitment make a daily impact. Finally, Mrs. Carlson has been named Support Person of the Month. She serves as a paraprofessional in one of our Transition Kindergarten classes and plays an essential role in supporting our youngest learners. We are so grateful for each of these amazing educators and the difference they make in our school community.

7. Family Engagement

We have worked intentionally to create more opportunities for our families to come to Quail and become actively involved in our school community. Recently, we enjoyed a wonderful Macon Mayhem Night where our Chorus performed beautifully and our Readers of the Month were recognized for their achievements. We also hosted a highly successful STEM Night, with Mr. Goodman and Mr. Baker organizing engaging, hands-on activities that encouraged students to innovate, think critically, and problem-solve. Our annual Valentine's Lunch for third and fifth grade students and their families completely sold out, highlighting the strong support from our community. We concluded these celebrations with our Cubs of Distinction Ceremony, where we proudly recognized our third, fourth, and fifth grade Honor Roll and Honorable Mention students for their hard work and academic success.

8. Student Engagement

Our teachers have organized a variety of fun and engaging activities, including Construction Day, Surgery Day, Glow Day, and Market Day. These experiences bring learning to life and reflect our mission to grow together and love learning. By making learning meaningful, interactive, and enjoyable, we help foster a genuine love of learning in our students.

We are doing the Boosterthon again to help raise funds to support our school. We will start this fundraiser the beginning of March.
