## General guidelines for on-campus parking:

- Student parking is for seniors and juniors only and is only permitted in assigned spaces.
- A parking permit must be displayed on the vehicle. Vehicles without permits will not be allowed to park on school property. If there is a change in any of the information above, please notify the main office immediately.
- The speed limit on school property is 10 m.p.h.
- Students are not allowed to visit their vehicles during the school day without permission from administration.
- Students must park in their assigned spot. Students may not trade spots with another student or allow another student to use their spot without the permission of the RHHS administration.
- In the event that a student's car is involved in any type of accident while on school property the Rocky Hill Police Department will be notified at the time of the accident.
- According to Connecticut State law effective August 1, 2008, during the first six months the newly licensed driver may not have any passengers in the vehicle except for: a licensed driving instructor giving instruction; or his or her parents or legal guardian, at least one of whom holds a valid driver's license; or one person who is providing instruction and is at least 20 years old, has held a driver's license for four or more consecutive years and whose license has not been suspended during the four years prior to training. During the second six months (month's seven through twelve) the only additional passengers allowed in the vehicle are members of the driver's immediate family.
- Parking is a privilege. Failure to comply with any and all of these guidelines may result in loss of parking privileges. Administration reserves the right to revoke parking privileges for disciplinary reasons.

*"Through high expectations and a challenging curriculum, all students at Rocky Hill High School will become responsible citizens who embrace learning as a lifelong process in an ever-changing world."*
