Board Policy 0166

BOARD GUARANTEE (Adopted May 2006)

We have been elected by the members of our community and choose to serve our fellow citizens to deliver the best possible programs and services to our children.

Therefore, we guarantee that:

We will serve with pride. We have been given the opportunity to make a difference in the lives of children and the quality of life in our community, and we are proud to accept that challenge.

We will treat students, parents, citizens, staff and fellow board members with dignity and respect.

We will be informed, knowledgeable and prepared before making decisions that affect the education of students. We will stay up-to-date so that our decisions will be based on the most recent information. We will model our belief that learning is a lifelong process.

We will do our part to work as a team with administrators, teachers, support staff, parents, students and citizens so that the entire learning atmosphere of our school will be one of warmth and caring. We will do this by becoming a part of district committees such as cross-functional, professional governance council (PGC) and many more.

We will maintain the policy making role of the Board and represent this to the constituents of the district by informal communications and referral to the proper channels for consideration of concerns and suggestions.

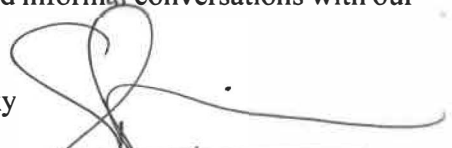

We will be enthusiastic and energetic in our support of the work in our schools by students, staff and volunteers. We will model this behavior by attending school sponsored events and working toward board certification through class work.

We will represent and reflect all segments of the community and base our decisions on sound policy and ethical principle that is in the best interest of all students. We will do this by basing our decisions on data and survey work on an annual basis. We will also take the time to have formal and informal conversations with our community.

Public Participation at Board Meetings Statement

The Board of Education is a public body and recognizes the value of public comment on educational issues. Time has been included in the meeting's agenda for public participation. Members of the audience are reminded that they should announce their name and group affiliation when applicable and to limit their participation time to three minutes or less. Comments should be directed to the Board and be relevant to the business of the Board of Education. This is not an opportunity for dialogue with the Board of Education. The rules of common courtesy should also be observed.
