# ACHIEVEMENT DATA

- MAP Growth 101: Everything you need to know.
- **MAP (Measure of Academic Progress) Test:**
- **The MAP growth test is a computer-generated test taken under adult supervision**
- The test is usually taken:
  - **At the beginning of the year**
  - **In the middle of the year**
  - **Near the end of the year**
- Each question is generated based on the previous question and answer.
- **If a student answers correctly, the next question is harder.**
- **If a student answers incorrectly, the next question is easier.**
- The MAP growth test uses a scale to measure what a student knows.
- **Similar to a height chart used to track physical growth, the MAP test measures a student's academic growth year over year.**

# DATOS DE LOGROS

- MAP Crecimiento 101: Todo lo que necesita saber.
- **Prueba MAP (Medida de Progreso Académico):**
- **La prueba de crecimiento MAP es una prueba generada por computadora que se realiza bajo la supervisión de un adulto.**
- **La prueba generalmente se realiza:**
  - **A principios de año**
  - **A mediados de año**
  - **Cerca del final del año**
- **Cada pregunta se genera en base a la pregunta y respuesta anterior.**
- **Si un estudiante responde correctamente, la siguiente pregunta es más difícil.**
- **Si un estudiante responde incorrectamente, la siguiente pregunta es más fácil.**
- **La prueba de crecimiento MAP utiliza una escala para medir lo que sabe un estudiante.**
- **Similar a una tabla de altura utilizada para seguir el crecimiento físico, la prueba MAP mide el crecimiento académico de un estudiante año tras año.**

### School-Family Compact

#### 2025 - 2026 District Goals

Increase by at least 2 percentage points the number of students performing at or above proficiency in core content areas in grades 3-11 as measured by Milestones assessment scores.

Increase the percentage of parents who feel their child's school provides various opportunities for engagement.

#### 2025 - 2026 School Goals

- **Reading-** To increase the percentage of students in grades K-5 reading at or above grade level by 3% measured on AMIRA and Milestones in grades K-2 and by their Lexile level in grades 3-5.
- **English/Language Arts and Math –** Increase the percentage of students in grades 3-5 scoring proficient or distinguished on the ELA and Math Milestones (End of Grade) by 3%.

#### Grade Level: Second Grade

#### Focus Areas

- **Math –** Fluently add and subtract within 20 using mental strategies
- **Reading/ELA –** Read with sufficient accuracy and fluency to support comprehension

#### *Russell Elementary*

#### *Second Grade Compact: Teachers, Families and Students – Together for Success*

#### Russell Elementary will

- Provide families with the tools/materials (Word lists and/or flashcards) for practicing sight words at home.
- Encourage families to read with their child each day.
- Provide materials to make math flash cards at home with sums up to 10.
- Encourage families to attend math and literacy family workshops to learn and receive strategies in each academic area to use at home.
- Use the School website and the HSCD app to keep families informed of student progress.

#### Family will

- Practice sight words with my child weekly using the materials and tools provided by the school.
- Read daily with my child.
- Make math flash cards with sums up to 10 and practice weekly.
- Attend family math and literacy workshops as they pertain to my child's grade level. (Virtual and/or in-person as safety guidelines permit) Use the strategies learned at these workshops to help my child succeed.
- Sign up for the HSCD app to keep informed of my student's progress at school.

#### Student will
