Superintendent Margo Heinert stated that the school will be having a Buffalo kill on Nov. 8th to coincide with honoring November as Native American Heritage month. Staff have been meeting with students to properly prepare them for the event. Additional information regarding the actual butchering will be forthcoming which will include ways to involve all students. It is planned that most of the meat will be donated to the elderly. There will be an early release at 2:30 on Monday, November 6, so staff can attend online/virtual training for days school needs to be closed. The Native Wellness Organization will be providing various wellness presentations and activities in late November. Sessions will be available for students, parents/guardians, and staff. Additionally, the school hosted a Halloween Carnival on October 30. Please visit the CHS website for pictures of the various booths and activities and students having a lot of fun. Leslie Cuny, Business Manager/HR Director presented the September Financial Report, updated the board on future planned expenditures and personnel actions.
