**Mrs. Germaine Kirkland**  
Principal

**Ms. Sonja Wilson-Lewis**  
Assistant Principal

Letter from the Principal,

As the 2023-2024, school year approaches, it is our pleasure to welcome everyone back for another great year. I am honored to serve as the Principal at George W. Munroe Elementary School. After graduating from Florida A & M University, there was no doubt I would come back to invest in my community where I am a proud graduate of the Gadsden County School District. I come to you with 27 years of experience as a teacher, mentor, coach, and instructional leader.

As the instructional leader, my focus will be on continuous improvement by evaluating what we have, determining what no longer works, and identifying what we need to make improvements. The George W. Munroe team is committed to creating *“Game Changing”* moments that involve focusing on the fundamentals and student success.

All students will grow academically, socially, and emotionally. We will build positive partnerships with families that focus on student growth and learning. Each year is challenging, but it presents *“ARRGH”* opportunities to refocus, rebuild, and reset for a successful year.

The George W. Munroe Elementary **T.E.A.M.** (Together Everyone Achieves More) is committed to increasing each student’s level of achievement. Thank you for entrusting us to educate your child. We enthusiastically look forward to working with you and celebrating student achievement and growth this year!

Sincerely,

Germaine Kirkland, Principal
