

Call Out for November 12, 2021

This is Richard Dennis, Superintendent of Elmore County Public Schools.

6 students and 1 employee have reported testing positive this past week. We continue to encourage everyone to take any necessary precautions, especially those with health issues.

The week prior to Thanksgiving in our schools has traditionally been a time for parents and grandparents to join their student for a delicious Thanksgiving meal prepared by our talented CNP staff. However, we will not be able to accommodate families for Thanksgiving lunch next week due to the ongoing supply chain challenges and the ability to receive enough food to allow for guests. Please plan to participate in any other Thanksgiving activities that may be offered at your child's school.

Finally, if you would prefer to get my call outs and other system-wide communications texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

We appreciate your support and have a great and weekend!

*Every Student Empowered, Every Student Succeeds.*

Richard Dennis
