INDEPENDENT AUDITORS' REPORT

Board of Directors Mid-Cities Learning Center, Inc. 12500 S. Pipeline Euless, TX 76040

Members of the Board of Directors:

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Mid-Cities Learning Center, Inc. (a nonprofit organization) which comprise the statement of financial position as of August 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Mid-Cities Learning Center, Inc. as of August 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mid-Cities Learning Center, Inc. and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid-Cities Learning Center,

Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood, that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mid-Cities Learning Center, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid-Cities Learning Center, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying specific-purpose financial statements and the supplementary information including the Schedule of Expenses, Schedule of Assets, Budgetary Comparison Schedule, Material Budget

Variance Expenditures, Use of Funds Report – Select State Allotment Programs, Schedule of Real Property Ownership Interest, Schedule of Related Party Transactions, and Schedule of Related Party Compensation and Benefits are presented for purposes of additional analysis as required by the Texas Education Agency and are not a required part of the financial statements. The budget variance explanations have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on them. Such information, other than the budget variance explanations, is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information, other than the budget variance explanations, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information detailed above, other than the budgeted variance explanations, is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 30, 2024, on our consideration of Mid-Cities Learning Center, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Mid-Cities Learning Center, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Mid-Cities Learning Center, Inc.'s internal control over financial reporting and compliance.

Respectfully submitted,

Freemon, Shapard, & Story

Notes to the Financial Statements

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The general-purpose financial statements of Mid-Cities Learning Center, Inc. (the corporation) were prepared in conformity with accounting principles generally accepted in the United States. The Financial Accounting Standards Board is the accepted standard setting body for establishing not-for-profit accounting and financial reporting principles.

A. Reporting Entity

The corporation is a not-for-profit organization incorporated in the State of Texas in 1972 and exempt from federal income taxes pursuant to Section 501(c)(3) of the Internal Revenue Code. The corporation is governed by a Board of Directors comprised of seven members. The Board of Directors is selected pursuant to the bylaws of the corporation and has the authority to make decisions, appoint the chief executive officer of the corporation, and significantly influence operations. The Board of Directors has the primary accountability for the fiscal affairs of the corporation. Since the corporation received funding from local, state, and federal government sources, it must comply with the requirements of the entities providing those funds.

B. Corporate Operations

Mid-Cities Learning Center, Inc. is operating an open-enrollment charter school providing education to K through 12th grade students authorized under Chapter 12, Subchapter D of the Texas Education Code. The Texas State Board of Education issued the initial charter to Mid-Cities Learning Center, Inc. for a period of five years from August 1, 1998 to July 31, 2003. Total enrollment was limited to 480 students. Subsequent to the awarding of the initial charter, the corporation applied for and received a charter renewal in May 2003 extending the charter ten years to July 31, 2013. In June of 2013, the corporation received another charter renewal extending the charter an additional ten years to July 31, 2023. On March 8, 2016, a charter amendment was approved increasing maximum enrollment to 600 students. In November of 2022, the corporation received another charter renewal extending the charter an additional ten years to July 31, 2033.

C. Basis of Accounting and Presentation

The accompanying general-purpose financial statements have been prepared using the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the organization and changes therein are classified and reported as follows:

Net Assets With Donor Restrictions — Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

<u>Net Assets Without Donor Restrictions</u> – Net assets available for use in general operations and not subject to donor restrictions. Assets restricted solely through the actions of the Board of Directors are reported as net assets without donor restrictions, board-designated.

D. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

E. Revenue Recognition and Receivables

The corporation recognizes revenue from government grants and state aid as revenue when eligible costs are incurred or services are provided. A receivable is recognized to the extent revenue earned exceeds cash advances. Conversely, deferred revenue and refundable advances are recorded when cash advances exceed support and revenue earned. Performance obligations for all the corporation's services are provided and consumed at a point in time, not over time, and therefore, these types of fees allocated to performance obligations are not left unsatisfied or partially unsatisfied at the end of the reporting period.

The corporation accounts for contributions as support without donor restrictions and with donor restrictions, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in net assets with donor restrictions in the reporting period in which the support is recognized. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. No amounts have been reflected in the financial statements for donated materials or services since no objective basis is available to measure the value thereof; however, a substantial number of volunteers donate their time to the School program services and in fund-raising activities.

F. Cash and Cash Equivalents

For financial statement purposes, the corporation considers all highly liquid investment instruments with an original maturity of twelve months or less to be cash equivalents.

G. Capital Assets

Capital assets, which include land, buildings and improvements, furniture and equipment, vehicles, and other personal property, are reported in the general-purpose and specific-purpose financial statements. Capital assets are defined by the corporation as assets with an individual cost of more than \$5,000. Such assets are recorded at historical cost and are depreciated over the estimated useful lives of the assets, which range from five to forty years, using the straight-line method of depreciation. Expenditures for additions, major renewals, and betterments are capitalized, and maintenance and repairs are charged to expense as incurred. Donations of assets are recorded as direct additions to net assets at fair value at the date of donation, which is then treated as cost.

H. Functional Allocation of Expenses

The cost of providing the various programs and other activities has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

I. Personal Leave

Full-time employees of the school earn ten days of paid personal leave per year, and part-time employees earn five days of paid personal leave per year. However, the balance does not accumulate.

J. New Accounting Pronouncements/Accounting Changes

The Texas Education Agency Financial Accountability System Resource Guide, Update 19, Module 2: Special Supplement — Charter Schools aligns with current financial accounting reporting standards. Updates included a requirement for the recording of Teacher Retirement System on-behalf revenue and payments and the calculations for the amounts. This module established financial and accounting requirements for Texas public charter schools to ensure uniformity in accounting in conformity with GAAP. This includes current guidance that complements the American Institute of Certified Public Accountants Audit and Accounting Guide, State and Local Governments and supplements the Government Auditing Standards of the United States Government Accountability Office. These requirements would facilitate preparation of financial statements that conform to GAAP established by the Financial Accounting Standards Board. Module 3 aligns with current financial accounting standards. Updates were made to accounting codes which included updates to accounting codes for dyslexia and related disorders added by HB 3928, 88th Texas Leg Regular Session 2023, as well as the addition of accounting codes for TRS on-behalf payments.

2. CASH DEPOSITS

The corporation's funds were deposited and invested with Plains Capital Bank during the year ended August 31, 2024 and 2023. The depository bank should deposit for safekeeping and trust with the corporation's agent banks approved pledged securities in an amount sufficient to protect corporate funds on a day-to-day basis during the period of the contract. The pledge of approved securities is waived only to the extent of the depository bank's dollar amount of Federal Deposit Insurance Corporation ("FDIC") insurance.

At August 31, 2024, the carrying amount of the corporation's deposits at Plains Capital Bank (cash, certificates of deposit, and interest-bearing savings accounts included in temporary investments) was \$909,667, and the bank balance was \$989,097. The charter holder's cash deposits at August 31, 2024, and during the year ended August 31, 2024, were adequately covered by FDIC insurance and by pledged collateral held by the corporation's agent bank in the corporation's name.

At August 31, 2023, the carrying amount of the corporation's deposits at Plains Capital Bank (cash, certificates of deposit, and interest-bearing savings accounts included in temporary investments) was \$1,205,630, and the bank balance was \$1,259,547. The charter holder's cash deposits at August 31,

2023, and during the year ended August 31, 2023, were adequately covered by FDIC insurance and by pledged collateral held by the corporation's agent bank in the corporation's name.

In addition, the following is disclosed regarding coverage of combined balances on the date of highest deposit for the deposits at Plains Capital Bank:

- a. Depository: Plains Capital Bank
- b. The market value of securities pledged as of the date of the highest combined balance on deposit was \$1,344,282.
- c. The highest combined balances of cash, savings, and time deposit accounts amounted to \$1,277,298 and occurred during the month of October 2023.
- d. Total amount of FDIC coverage at the time of the largest combined balance was \$250,000.

3. DEFINED BENEFIT PENSION PLAN

A. Plan Description

Mid-Cities Learning Center, Inc. participates in a cost-sharing multiple-employer defined benefit pension plan that has a special funding situation. The plan is administered by the Teacher Retirement System of Texas (TRS). It is a defined benefit pension plan established and administered in accordance with the Texas Constitution, Article XVI, Sec. 67 and Texas Government Code, Title 8, Subtitle C. The pension trust fund is a qualified pension trust under Section 401(a) of the Internal Revenue Code. The Texas Legislature establishes benefits and contribution rates within the guidelines of the Texas Constitution. The pension's Board of Trustees does not have the authority to establish or amend benefit terms.

All employees of public, state-supported educational institutions in Texas who are employed for one-half or more of the standard work load and who are not exempted from membership under Texas Government Code, Title 8, Section 822.002 are covered by the system.

B. Pension Plan Fiduciary Net Position

Detailed information about the Teacher Retirement System's fiduciary net position is available in a separately-issued Annual Comprehensive Financial Report (ACFR) that includes financial statements and required supplementary information. That report may be obtained on the Internet at https://www.trs.texas.gov/Pages/about publications.aspx; by writing to TRS at 1000 Red River Street, Austin, TX 78701-2698, or by calling (512) 542-6592.

The information provided in the Notes to the Financial Statements in the 2023 Comprehensive Annual Financial Report for TRS provides the following information regarding the Pension Plan fiduciary net position as of August 31, 2023.

Components of Net Position LiabilityTotalTotal Pension Liability\$255,860,886,500Less: Plan Fiduciary Net Position(187,170,535,558)Net Pension Liability\$68,690,350,942Net Position as Percentage of Total Pension Liability73.15%

C. Benefits Provided

TRS provides service and disability retirement, as well as death and survivor benefits, to eligible employees (and their beneficiaries) of public and higher education in Texas. The pension formula is calculated using 2.3 percent (multiplier) times the average of the five highest annual creditable salaries times years of credited service to arrive at the annual standard annuity except for members who are grandfathered, the three highest annual salaries are used. The normal service retirement is at age 65 with 5 years of credited service or when the sum of the member's age and years of credited service equals 80 or more years. Early retirement is at age 55 with 5 years of service credit or earlier than 55 with 30 years of service credit. There are additional provisions for early retirement if the sum of the member's age and years of service credit total at least 80, but the member is less than age 60 or 62 depending on date of employment, or if the member was grandfathered in under a previous rule. There are no automatic post-employment benefit changes; including automatic COLAs. Ad hoc postemployment benefit changes, including ad hoc COLAs can be granted by the Texas Legislature as noted in the Plan description in (A) above. Texas Government Code section 821.006 prohibits benefit improvements, if, as a result of the particular action, the time required to amortize TRS' unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or, if the amortization period already exceeds 31 years, the period would be increased by such action. Actuarial implications of the funding provided in this manner are determined by the System's actuary.

D. Contributions

Contribution requirements are established or amended pursuant to Article 16, section 67 of the Texas Constitution which requires the Texas legislature to establish a member contribution rate of not less than 6.0% of the member's annual compensation and a state contribution rate of not less than 6.0% and not more than 10% of the aggregate annual compensation paid to members of the system during the fiscal year. Employee contribution rates are set in state statute, Texas Government Code 825.402. The TRS Pension Reform Bill (Senate Bill 12) of the 86th Texas Legislature amended Texas Government Code 825.402 for member contributions and increased employee and employer contribution rates for fiscal years 2019 thru 2025. Contribution rates can be found in the TRS 2023 ACFR, Note 11, on page 88.

Contribution Rate	es	
	2024	2023
Member	8.25%	8.00%
Non-Employer Contributing Entity (State)	8.25%	8.00%
Employers	8.25%	8.00%
Charter Holder's Employer Contributions	\$102,289	\$ 81,123
Charter Holder's Member Contributions	\$211,187	\$186,345

Measurement Year	2023	2022
Charter Holder's NECE On-Behalf Contributions	\$ 143,079	\$ 143,765

Contributors to the plan include members, employers, and the State of Texas as the only non-employer contributing entity. The State contributes to the plan in accordance with state statutes and the General Appropriations Act (GAA). As the non-employer contributing entity for public education, the State of Texas contributes to the retirement system an amount equal to the current employer contribution rate times the aggregate annual compensation of all participating members of the pension trust fund during that fiscal year reduced by the amounts described below which are paid by the employers. Employers including public schools are required to pay the employer contribution rate in the following instances:

- On the portion of the member's salary that exceeds the statutory minimum for members entitled to the statutory minimum under Section 21.402 of the Texas Education Code.
- During a new member's first 90 days of employment.
- When any part or all of an employee's salary is paid by federal funding sources, a privately sponsored source, from non-educational and general, or local funds.

In addition to the employer contributions listed above, there is a surcharge an employer is subject to.

- All public schools, charter schools, and regional educational service centers must contribute 1.8 percent of the member's salary beginning in fiscal year 2023, gradually increasing to 2 percent in fiscal year 2025.
- When employing a retiree of the Teacher Retirement System, the employer shall pay both the member contribution and the state contribution as an employment after retirement surcharge.

E. Actuarial Assumptions

The total pension liability in the August 31, 2022, actuarial valuation was determined using the following actuarial assumptions: Actuarial assumptions can be found in the 2023 TRS ACFR, Note 11, page 89.

Valuation Date	August 31, 2022 rolled forward to August
	31, 2023
Actuarial Cost Method	Individual Entry Age Normal
Asset Valuation Method	Fair Value
Single Discount Rate	7.00%
Long-Term Expected Rate	7.00%
Municipal Bond Rate	4.13%*
Last year ending August 31 in Projection	2122
Period (100 years)	
Inflation	2.30%
Salary Increases	2.95% to 8.95% including inflation
Ad hoc Post Employment Benefit Changes	None

*Source: Fixed Income Market Data/Yield Curve/Data Municipal Bonds with 20 years to maturity that include only federal tax-exempt municipal bonds as reported in Fidelity Index's "20-Year Municipal GO AA Index" as of August 31, 2023.

The actuarial methods and assumptions are used in the determination of the total pension liability are the same assumptions used in the actuarial valuation as of August 31, 2022. For a full description of these assumptions, please see the actuarial valuation report dated November 22, 2022.

F. Discount Rate

A single discount rate of 7.00 percent was used to measure the total pension liability. The single discount rate was based on the expected rate of return on plan investments of 7.00 percent. The projection of cash flows used to determine this single discount rate assumed that contributions from active members, employers, and the non-employer contributing entity will be made at the rates set by the legislature during the 2019 session. It is assumed that future employers and state contributions will be 9.50 percent of payroll in fiscal year 2024 increasing to 9.56 percent in fiscal year 2025 and thereafter. This includes all employer and state contributions for active and rehired retirees.

Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

The long-term rate of return on pension plan investments is 7.00 percent. The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimates ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of geometric real rates of return for each major asset class included in the System's target asset allocation as of August 31, 2023 (see page 56 of the 2023 TRS ACFR) are summarized below:

Asset Class	Target Allocation %**	Long-Term Expected Geometric Real Rate of Return***	Expected Contribution to Long-Term Portfolio Returns
Global Equity			
U.S.A.	18%	4.0%	1.0%
Non-U.S. Developed	13%	4.5%	0.9%
Emerging Markets	9%	4.8%	0.7%
Private Equity*	14%	7.0%	1.5%
Stable Value			
Government Bonds	16%	2.5%	0.5%
Absolute Return*	0%	3.6%	0.0%
Stable Value Hedge Funds	5%	4.1%	0.2%

Real Return			
Real Estate	15%	4.9%	1.1%
Energy, Natural Resources, and			
Infrastructure	6%	4.8%	0.4%
Commodities	0%	4.4%	0.0%
Risk Parity			
Risk Parity	8%	4.5%	0.4%
Asset Allocation Leverage			
Cash	2%	3.7%	0.0%
Asset Allocation Leverage	-6%	4.4%	-0.1%
Inflation Expectation			2.3%
Volatility Drag****			-0.9%
Total	100%		8.0%

- * Absolute Return includes Credit Sensitive Investments.
- ** Target allocations are based on the FY2023 policy model.
- *** Capital Market Assumptions come from Aon Hewitt (as of 06/30/2023)
- **** The volatility drag results from the conversion between arithmetic and geometric mean returns.

G. Discount Rate Sensitivity Analysis

The following table presents the Net Pension Liability of the plan using the discount rate of 7.00 percent, and what the net pension liability would be if it were calculated using a discount rate that is 1% lower (6.00 percent) or 1% higher (8.00 percent) than the current rate. The discount rate can be found in the 2023 TRS ACFR, Note 11, page 90 and the Table of Sensitivities (Table 11.I.1) can be found on page 91.

	1% Decrease in Discount Rate (6.00%)	Discount Rate (7.00%)	1% Increase in Discount Rate (8.00%)
Mid-Cities Learning Center,			
Inc.'s proportionate share of			
the net pension liability	\$1,616,316	\$1,081,108	\$636,082

H. Pension Liabilities

At August 31, 2023, Mid-Cities Learning Center, Inc. disclosed a liability of \$1,081,108 for its proportionate share of the TRS's net pension liability. This liability reflects a reduction for State pension support provided to Mid-Cities Learning Center, Inc. The amount recognized by Mid-Cities Learning Center, Inc. as its proportionate share of the net pension liability, the related State support, and the total portion of the net pension liability that was associated with Mid-Cities Learning Center, Inc. were as follows:

Charter school's proportionate share of the collective net pension liability
State's proportionate share that is associated with the charter school

Total

\$1,081,108

1,911.996

\$2,993,104

The net pension liability was measured as of August 31, 2022 and rolled forward to August 31, 2023, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The employer's proportion of the net pension liability was based on the employer's contributions to the pension plan relative to the contributions of all employers to the plan for the period September 1, 2022 through August 31, 2023. At August 31, 2023, the employer's proportion of the collective net pension liability was .0015738859% which was a decrease from its proportion of .0016379822% measured as of August 31, 2022.

I. Changes Since the Prior Actuarial Valuation

The actuarial assumptions and methods are the same as used in the determination of the prior year's net pension liability. The Texas 2023 Legislature passed legislation that provides a one-time stipend to certain retired teachers. The stipend was paid to retirees beginning in September of 2023. The Legislature appropriated funds to pay for this one-time stipend so there will be no impact on the net pension liability of TRS. In addition, the Legislature also provided for a cost of living adjustment to retirees which was approved during the November 2023 election which will be paid in January 2024. Therefore, this contingent liability was not reflected as of August 31, 2023.

J. Additional Plans

Employees of the corporation are also provided with Social Security and Medicare coverage. Under provisions of federal law, covered employees contribute 6.2% (Social Security) and 1.45% (Medicare) of their annual covered salary, and the corporation contributes 6.2% (Social Security) and 1.45% (Medicare) of the covered payroll.

4. DEFINED OTHER POST-EMPLOYMENT BENEFIT PLANS

A. Plan Description

Mid-Cities Learning Center, Inc. participates in the Texas Public School Retired Employees Group Insurance Program (TRS-Care). It is a multiple-employer, cost-sharing defined benefit Other Post-Employment Benefit (OPEB) plan with a special funding situation. The TRS-Care program was established in 1986 by the Texas Legislature.

The TRS Board of Trustees administers the TRS-Care program and the related fund in accordance with Texas Insurance Code, Chapter 1575. The Board of Trustees is granted the authority to establish basic and optional group insurance coverage for participants as well as to amend benefit terms as needed under Chapter 1575.052. The Board may adopt rules, plans, procedures, and orders reasonably necessary to administer the program, including minimum benefits and financing standards.

B. OPEB Plan Fiduciary Net Position

Detailed information about the TRS-Care's fiduciary net position is available in the separately-issued TRS Annual Comprehensive Financial Report (ACFR) that includes financial statements and required supplementary information. That report may be obtained on the Internet at http://www.trs.texas.gov/Pages/about publications.aspx; by writing to TRS at 1000 Red River Street, Austin, TX, 78701-2698; or by calling (512) 542-6592.

Components of the Net OPEB liability of the TRS-Care plan as of August 31, 2023 are as follows:

Net OPEB Liability
Total OPEB Liability

Less: Plan Fiduciary Net Position
Net OPEB Liability

Net Position as a Percentage of Total OPEB Liability

Total
\$ 26,028,070,267

(3,889,765,203)
\$ 22,138,305,064

14.94%

C. Benefits Provided

TRS-Care provides health insurance coverage to retirees from public and charter schools, regional education service centers, and other educational districts who are members of the TRS pension plan. Optional dependent coverage is available for an additional fee. Eligible non-Medicare retirees and their dependents may enroll in TRS-Care Standard, a high-deductible health plan. Eligible Medicare retirees and their dependents may enroll in the TRS-Care Medicare Advantage medical plan and the TRS-Care Medicare Rx prescription drug plan. To qualify for TRS-Care coverage, a retiree must have at least 10 years of service credit in the TRS pension system. There are no automatic post-employment benefit changes; including automatic COLAs.

The premium rates for retirees are reflected in the following table.

TRS-Care Monthly Premium Rates			
	Medicare	Non-Medicare	
Retiree or Surviving Spouse	\$ 135	\$200	
Retiree and Spouse	\$ 529	\$689	
Retiree or Surviving Spouse and Children	\$ 468	\$408	
Retiree and Family	\$1,020	\$999	

D. Contributions

Contribution rates for the TRS-Care plan are established in state statute by the Texas Legislature, and there is no continuing obligation to provide benefits beyond each fiscal year. The TRS-Care plan is currently funded on a pay-as-you-go basis and is subject to change based on available funding. Funding for TRS-Care is provided by retiree premium contributions and contributions from the state, active employees, and participating employers based on active employee compensation. The TRS Board does not have the authority to set or amend contribution rates. Texas Insurance Code, Section 1575.202 establishes the state's contribution rate which is 1.25% of the employee's salary. Section 1575.203 establishes the active employee's rate which is .65% of salary. Section 1575.204 establishes

a public school contribution rate of not less than 0.25 percent or not more than 0.75 percent of the salary of each active employee of the employer. The actual public school contribution rate is prescribed by the Legislature in the General Appropriations Act, which is 0.75 percent of each active employee's pay for fiscal year 2023. The following table shows contributions to the TRS-Care plan by type of contributor.

Contribution Rates				
		<u> 2024</u>	2	<u> 2023</u>
Active Employee	().65%	0	.65%
State	. 1	.25%	1	.25%
Employers	0.75%		0.75%	
Federal/Private Funding	1	.25%	1	.25%
Employer Contributions	2024	\$ 19,926	2023	\$17,976
Member Contributions	2024	\$ 16,639	2023	\$15,141
NECE On-Behalf Contributions	2023	\$ 21,691	2022	\$22,421

In addition to the employer contributions listed above, there is an additional surcharge all TRS employers are subject to (regardless of whether they participate in the TRS-Care OPEB program). When hiring a TRS retiree, employers are required to pay TRS-Care a monthly surcharge of \$535 per retiree. TRS-Care received supplemental appropriations from the State of Texas as the Non-Employer Contributing Entity in the amount of \$21.3 million in fiscal year 2023 provided by Rider 14 of the Senate Bill GAA of the 87th Legislature. These amounts were reappropriated from amounts received by the pension and TRS-Care funds in excess of the state's actual obligation and then transferred to TRS-Care.

E. Actuarial Assumptions

The actuarial valuation was performed as of August 31, 2022. Update procedures were used to roll forward the Total OPEB Liability to August 31, 2023. The actuarial valuation was determined using the following actuarial assumptions: Actuarial assumptions can be found in the 2023 TRS ACFR, Note 9, page 79.

The actuarial valuation of the OPEB plan offered through TRS-Care is similar to the actuarial valuation performed for the pension plan, except that the OPEB valuation is more complex. The demographic assumptions were updated based on the experience study performed for TRS for the period ending August 31, 2021. The following assumptions and other inputs used for members of TRS-Care are based on an established pattern of practice and are identical to the assumptions used in the August 31, 2022 TRS pension actuarial valuation that was rolled forward to August 31, 2023:

Rates of Mortality Rates of Disability
Rates of Retirement General Inflation
Rates of Termination Wage Inflation

The active mortality rates were based on PUB(2010), Amount-Weighted, Below-Median Income, Teacher male and female tables (with a two-year set forward for males). The post-retirement mortality

rates for healthy lives were based on the 2021 TRS of Texas Healthy Pensioner Mortality Tables. The rates were projected on a fully generational basis using the ultimate improvement rates from mortality projection scale MP-2021.

Additional Actuarial Methods and Assumptions:

Valuation Date

Actuarial Cost Method
Inflation
Single Discount Rate
Aging Factors
Expenses

August 31, 2022 rolled forward to August 31, 2023

August 31, 2022 rolled forward to August 31, 2023

Individual Entry Age Normal
2.30%
4.13% as of August 31, 2023

Based on Plan Specific Experience
Third-party administrative expenses related to the delivery of health care benefits are included in the age-adjusted claims costs.

Salary Increases 2.95% - 8.95%, including inflation

Ad-hoc Post Employment Benefit Changes None

F. Discount Rate

A single discount rate of 4.13% was used to measure the total OPEB liability. There was an increase of .22 percent in the discount rate since the previous year. The Discount Rate can be found in the 2023 TRS ACFR on page 80.

Because the investments are held in cash, and there is no intentional objective to advance fund the benefits, the Single Discount Rate is equal to the prevailing municipal bond rate.

The source of the municipal bond rate is the Fidelity "20-year Municipal GO AA Index" as of August 31, 2023, using the Fixed Income Market Data/Yield Curve/Data Municipal bonds with 20 years to maturity that include only federally tax-exempt municipal bonds.

G. Discount Rate Sensitivity Analysis

The following schedule shows the impact of the Net OPEB Liability if the discount rate used was 1% less than and 1% greater than the discount rate that was used (4.13%) in measuring the Net OPEB Liability.

	1% Decrease in	Current Single	1% Increase in
	Discount Rate	Discount Rate	Discount Rate
	(3.13%)	(4.13%)	(5.13%)
Mid-Cities Learning Center,	in i		, ,
Inc.'s proportionate share of	\$540,318	\$458,755	\$392,198
the Net OPEB Liability:			,

H. OPEB Liabilities and OPEB Expense

At August 31, 2023, Mid-Cities Learning Center, Inc. disclosed a liability of \$458,755 for its proportionate share of the TRS's Net OPEB Liability. This liability reflects a reduction for State OPEB support provided to the school. The amount recognized by the school as its proportionate share of the net OPEB liability, the related State support, and the total portion of the net OPEB liability that was associated with Mid-Cities Learning Center, Inc. were as follows:

School's Proportionate share of the collective net OPEB liability	\$ 458,755
State's proportionate share that is associated with the School	<u>553,558</u>
Total	<u>\$1,012,313</u>

The Net OPEB Liability was measured as of August 31, 2022 and rolled forward to August 31, 2023, and the Total OPEB Liability used to calculate the Net OPEB Liability was determined by an actuarial valuation as of that date. The employer's proportion of the Net OPEB Liability was based on the employer's contributions to OPEB relative to the contributions of all employers to the plan for the period September 1, 2022 thru August 31, 2023. At August 31, 2023, the employer's proportion of the collective Net OPEB Liability was 0.0020722217% compared to 0.0022378043% at August 31, 2022.

I. Healthcare Cost Trend Rates Sensitivity Analysis

The following schedule shows the impact of the Net OPEB liability if a healthcare trend rate that is 1% less than and 1% greater than the health trend rates assumed.

	1% Decrease in	Current Single	1% Increase in
	Healthcare Trend	Healthcare Trend	Healthcare Trend
	Rate	Rate	Rate
Mid-Cities Learning Center, Inc.'s proportionate share of the Net OPEB Liability:	\$377,762	\$458,755	\$562,953

J. Changes Since the Prior Actuarial Valuation

The following were changes to the actuarial assumptions or other inputs that affected measurement of the Total OPEB liability since the prior measurement period: *These can be found in the 2023 TRS ACFR on page 80.*

• The single discount rate changed from 3.91 percent as of August 31, 2022 to 4.13 percent as of August 31, 2023, accompanied by revised demographic and economic assumptions based on the TRS experience study.

Change of Benefit Terms Since the Prior Measurement Date – There were no changes in benefit terms since the prior measurement date.

ON-BEHALF PAYMENTS

Mid-Cities Learning Center, Inc. recorded on-behalf payments from the State of Texas to be used for Teacher Retirement in the amount of \$189,924 for the year ended August 31, 2024. These payments were not required to be posted in the prior year.

ACCUMULATED UNPAID VACATION AND SICK LEAVE BENEFITS

At August 31, 2024 and 2023, the charter holder had no material liability for accrued sick leave or vacation leave.

HEATH CARE COVERAGE

During the year ended August 31, 2024 and 2023, employees of the charter school were covered by a health insurance plan (the Plan). The charter school contributed \$450 per month per employee in 2023-24 and \$450 per month in 2022-23 per employee to the Plan for each employee who takes TRS Active Care Insurance. Employees, at their option, authorized payroll withholdings to pay contributions or premiums for dependents. All premiums were paid to licensed insurers.

8. COMMITMENTS AND CONTINGENCIES

The charter school receives funds through state and federal programs that are governed by various statutes and regulations. State program funding is based primarily on student attendance data submitted to the Texas Education Agency and is subject to audit and adjustment. Expenses charged to federal programs are subject to audit and adjustment by the grantor agency. The programs administered by the charter school have complex compliance requirements and should state or federal auditors discover areas of noncompliance, charter school funds may be subject to refund if so determined by the Texas Education Agency or the grantor agency. In the opinion of the charter school, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the respective grants; therefore, no provision has been recorded in the accompanying combined financial statements for such contingencies.

NET ASSETS WITH DONOR RESTRICTIONS

Net Assets With Donor Restrictions for the years ending August 31, 2024 and 2023, consisted of the following:

	2024	<u>2023</u>
Foundation School Program	\$ 2,822,660	\$ 3,180,144
Safe Cycle 2 State Grant	10,298	-
School Safety and Security	145,997	82,639
Campus Activity	7,657	7,657
Total Net Assets With Donor Restrictions	\$ <u>2,986,612</u>	\$ <u>3,270,440</u>

10. ECONOMIC DEPENDENCY

During the year ended August 31, 2024, the charter school earned revenue of \$3,542,969 from the Texas Education Agency (TEA). This constitutes approximately 96% of total revenue earned. Any unforeseen loss of this charter agreement with TEA or changes in legislative funding could have a material effect on the ability of the charter school to continue to provide the current level of services to its students.

11. CAPITAL ASSETS

Capital assets at August 31, 2024 and 2023, were as follows:

	Balance 8/31/2023	Additions	<u>Deletions</u>	Balance 8/31/2024
Land & Improvements	\$ 191,700	\$ -	\$ -	\$ 191,700

Buildings & Improvements	4,002,671	234,011	-	4,236,682
Furniture & Equipment	176,749	-	-	176,749
Accumulated Depreciation	(2,145,759)	(162,446)	_	(2,308,205)
Property & Equipment, Net	\$ <u>2,225,361</u>	\$ <u>71,565</u>	\$	\$ <u>2,296,926</u>

Capital assets acquired with public funds received by the corporation for the operation of Treetops International Schools, Inc. constitute public property pursuant to Chapter 12 of the Texas Education Code. These assets are specifically identified on the Schedule of Assets.

12. LEASES

No capital leases were recorded due to immateriality. Rent expense was \$6,351 and \$6,078 for the years ended August 31, 2024 and 2023, respectively. A copier lease agreement was entered into with Xerox for \$529 a month for 36 months beginning November 17, 2021. Future minimum payments under noncancelable operating leases as of August 31, 2024 are as follows:

Year	Amount	
2025	\$ 1,588	

INCOME TAX

On December 30, 2008, FASB issued FASB Staff Position (FSP) FIN 48-3, Effective Date of FASB Interpretation No. 48 for Certain Nonpublic Enterprises. There was no unrelated business income for the year ended August 31, 2024, and as a result, there was no income tax liability.

14. SUBSEQUENT EVENTS

Management has evaluated the impact of all subsequent events on the corporation through financial statement issuance and has determined that there were no subsequent events requiring recognition or disclosure in the financial statements.

15. LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents	\$ 63,312
Fixed assets	232,018
	<u>\$295,330</u>

Except for the financial assets listed above, Mid-Cities Learning Center Inc.'s cash, due from TEA, and fixed assets' use are restricted by the Texas Education Agency, federal agencies, and donors for charter school operations. As part of the corporation's liquidity management plan, \$848,803 of cash is invested in certificates of deposit.

TREETOPS SCHOOL INTERNATIONAL CHARTER SCHOOL MATERIAL BUDGET VARIANCE EXPENDITURES FOR THE YEAR ENDED AUGUST 31, 2024

Material Budget Variance Expenditures

The following is an explanation of the 10% variances from final budget to actual revenue reported on the Budgetary Comparison Schedule:

(1) An overpayment of state foundation revenue had to be reclassified, and the school did not receive as much per capita apportionment as expected

The following is an explanation of the 10% variances from final budget to actual expenses reported on the Budgetary Comparison Schedule:

- (2) Budgeted for employee training and travel that was not utilized.
- (3) Large maintenance repairs were capitalized instead of expensed, and a golf cart was capitalized instead of expensed.

The following is an explanation of the 10% variances from final budget to original budget revenue reported on the Budgetary Comparison Schedule:

- (4) First year to have after-school care, and the school was not sure how much revenue to budget for after-school care tuition.
- (5) The school increased the budget for foundation revenue, however, the original budget was actually closer to actual foundation revenue.

The following is an explanation of the 10% variances from final budget to original budget expenses reported on the Budgetary Comparison Schedule:

- (6) Needed more budgeted in instructional payroll and instructional materials than was originally budgeted. This was due to the class coming into highschool was larger than the previous year which created the need to hire an additional teacher. An additional teacher was also needed in third grade, and an additional special education aide was required. Also, a large increase in special education professional services was needed due to their accommodations. More outside contracted services such as occupational therapists and speech pathologists were needed for the special education students.
- (7) Plant maintenance expenses were increased; however, original budget was closer to actual plant and maintenance expenses due to capitalizing fixed assets.
- (8) Budget for data processing payroll, professional services, and supplies was increased.

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Board of Directors Mid-Cities Learning Center, Inc. 12500 S. Pipeline Euless, TX 76040

Members of the Board of Directors:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Mid-Cities Learning Center, Inc. (a nonprofit organization), which comprise the statement of financial position as of August 31, 2024, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 30, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Mid-Cities Learning Center, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Mid-Cities Learning Center, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Mid-Cities Learning Center Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Mid-Cities Learning Center, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Respectfully submitted,

Freemon, Shapard, & Story
