Please note that academic courses may be taken any term – Fall, Spring, or Summer. Dual Enrollment students may take courses during the summer term. ACT or Accuplacer placement is required for ENG and MTH courses.

**NOTE – The ORI 105/Orientation course is only for students who DO NOT plan on taking both MTH 110 and MTH 112 courses. In addition to MTH 110 or MTH 112 students may also take MTH 231 (Math for Elementary). All of these MTH courses are required for the Early Elementary Ed Program at Troy University. All courses will transfer to Troy. MTH 231 will be a F2F course and taught at ESCC (Enterprise Campus).**
