

March 2026 Cat Tracks

MAY FIELD TRIPS

We have a special field trip in May for students in Grades K-4 to visit Funtastik's in Tucson and Grades 5-8 to visit Sunsplash in Phoenix. To participate, students cannot have any out of school suspensions and no more than two sessions of in-school suspension. Students have been working to earn this special trip all school year.

ATTENDANCE

Arizona law (Statutes 15-802 and 15-803) require students to attend school regularly.

Students with 18 or more absences in a school year may be considered for retention, reported for chronic truancy, and/or placed on an attendance contract. Please see that your child is at school, on time and ready to learn. Thank you!

CONFERENCES

We will have an early dismissal (12:45 PM) on Monday, March 23 and Tuesday, March 24 for Parent Teacher Conferences. Teachers are expected to meet with families of students with specific academic, behavioral, or attendance concerns during this week. Please contact your child's teacher if you have questions.

SCHOLASTIC BOOK FAIR

Dear Mt. Vista K-8 School Families,

Get ready—the Scholastic Book Fair is coming to our school! This is a great opportunity to build your child’s home library with new books they’ll dive into again and again.

The easiest way to let your child shop the Fair independently is by creating an eWallet. It’s easy to set up and easy for others to add funds.

Create an eWallet, and you’ll also have the opportunity to contribute to Share the Fair - the giving program that supports students at our school who need help buying books. Consider participating so that no child leaves the Fair empty-handed!

Here’s everything else you need to know about the Book Fair:

Dates: Monday, March 23rd-Friday, March 27th. Classes scheduled throughout the week

Location: Growth Room-Library

Family Event schedule and location: Family Reading Night, March 26th, 5:00-7:00 PM

For full details, and to create an eWallet, visit our school’s Book Fair homepage:

More than ever, we need to get students reading. Studies prove* that children with more books at home have higher-level reading skills, and attain more years of education overall.

Happy reading,

Crystle Nehrmeyer

Superintendent

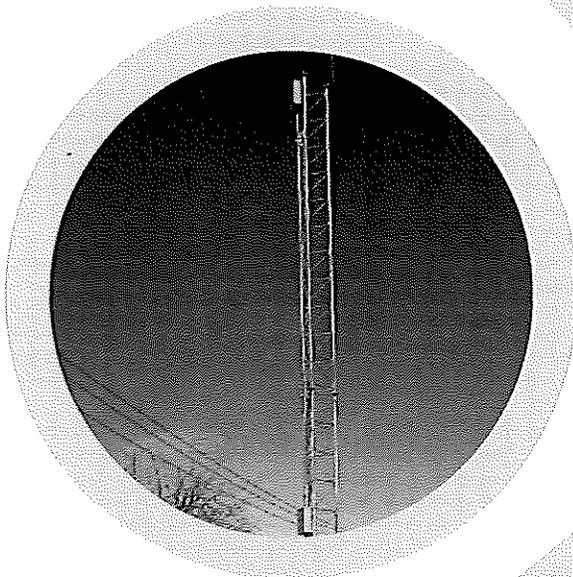

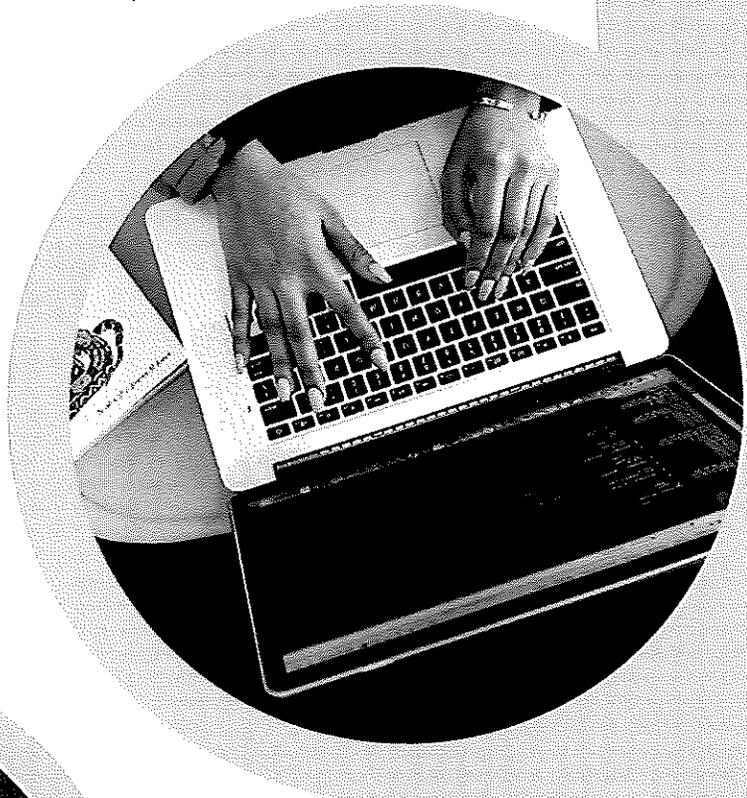

Oracle School District

Mountain Vista K-8 School

PINAL COUNTY COMMUNITY MEETING

Final Mile 5G Broadband Internet Tower Project

Come and learn more about the Final Mile 5G Internet Towers in Pinal County. Learn what the towers will provide for our community and have the opportunity to ask questions.
