		8 COMMUNISM AND WAR IN ASIA
Honors	Honors oth Grade	Math iReady 45 min 11:59 pm

2. Click on "Grade Report."

3. Once there, click on each class to view the grades.

Things to look for when checking grades:

- Look at the overall average.
- Look for anywhere with a "0" this means you have not turned in the assignment
- If in an ACCESS class, check ACCESS for the most up to date and detailed grades.
