Attendance Policy

Regular attendance is mandatory if a student is going to successfully complete high school within four years. Except as provided in ORS 339.030, all children between the ages of 7 and 18 years have the right and are required to attend a public full-time school during the entire school year. Regular and punctual attendance will also help a student develop responsible habits that will be necessary for success in either future education or employment. Frequent absences result in poor class performance.

Absences

Students will be excused with a note from a parent/guardian for the following reasons:

- ⌚ Student illness;
- ⌚ Illness of an immediate family member when the student's presence at home is necessary;
- ⌚ Emergency situation that requires the student's absence;
- ⌚ Field trips and school-approved activities;
- ⌚ Other reasons deemed appropriate by the NCA Education Team when satisfactory arrangements have been made in advance of the absence;
- ⌚ Medical appointments. Confirmation of appointments may be required.

Absences that do not meet the above qualifications or are not accompanied with a parent/guardian note will be regarded as unexcused. Work may not be accepted if the absence is unexcused.

Procedures for return from an absence or being tardy:

- 🌞 Notes are to be presented to an NCA staff member the same day a student returns and must contain the following information:
 - 📄 Date of absence(s) and date the note was written
 - 📄 Name of pupil
 - 📄 Brief reason for absence
 - 📄 Complete signature of parent or guardian(Students over eighteen and living on their own may write their own absence slips. **For attendance purposes, a note is required for every student.**)
- 🌞 **Make-up work will only be arranged in an emergency situation. Attendance is key to success at NCA.**
- 🌞 Students should consult with teachers for homework if they plan to be absent more than one day.

All absences will be reported to the student's parent or guardian and to the Juvenile Department for those students on probation or parole.

Parents will be sent a certified letter on the tenth day of consecutive unexcused absences indicating the student is formally dropped from the NCA roles, as per state law.

Discipline and Due Process

Discipline at North Columbia Academy is designed to promote behavior that will enable students to develop self-discipline necessary to function successfully in their educational and social environments. The major objectives of discipline are to follow the fundamental concepts:

- a) Respect for the rights, dignity, and safety of all individuals.
- b) Respect and understanding of laws, rules, and regulations.
- c) Respect for public and private property.

In some cases, a telephone call or written notice to the parent will assist the parent to help the student correct his/her behavior. However, in more serious cases, or with repeated misbehavior, the NCA Education Team may resort to suspension, a meeting to reconsider continued attendance at NCA, or recommendation for expulsion.

When others display inappropriate or dangerous behaviors it is important to speak out and not condone the behaviors. Speaking out or notifying someone in authority is encouraged.

Students shall be liable to discipline, suspension, or expulsion for misconduct including but not limited to:
