### About the Employer

In one of the most dynamic and growing areas in the country, St. John Paul II Catholic High School (JPII) is also growing and expanding. Operated by the Diocese of Birmingham and a Board of Trustees, JPII offers students a faith-based college preparatory high school curriculum and environment. We serve a growing, diverse and dynamic student body from North Alabama, Southern Tennessee, and abroad on a 55-acre campus surrounded by Research Park, a center for space aeronautical and bio-medical research. Recently, the educational organization NICHE rated JPII as the best Catholic high school in the state of Alabama for the past three years and the fifth best private high school in the state. Other notables include last year's ACT average score of 26.6 (state and national averages are 18.8 and 20.6 respectively); AP test scores that include 16 AP scholars; and \$11.8 million in merit college scholarships.

### Our Mission

Inspired by our patron, St. John Paul II Catholic High School develops students in spirit, mind, and body through a Christ-centered, college preparatory education. As a welcoming community of faith, we encourage, challenge, and support our students to learn enthusiastically, lead honorable, and live responsibly so they will improve themselves and society through their faith and vocation.
