

Mrs. Roy's CLASSROOM NEWSLETTER

Class news

Happy First Full Week of School!

We're off to a great start! This week, we'll transition from our beginning-of-the-year routines into full instruction in each subject area.

Math homework will begin this week and will be sent home in your child's binder each night. Please help your child keep it in their binder so we can review it together in class each day.

We're also excited to launch our Classroom Economy! Students can earn classroom money by demonstrating positive behavior, showing kindness, working hard, and following directions. They can then spend their earnings at our classroom store! This fun system also helps students practice real-world skills like saving, spending, and exchanging bills. On the flip side, poor choices can result in a loss of money, giving students the opportunity to reflect and make better decisions next time.

If you have any questions, please don't hesitate to reach out. We're looking forward to a wonderful week of learning and growing!

What we're learning

- **Math:** Place Value to 10,000 and Rounding to the nearest 10 and 100.
- **Reading:** Reviewing second-grade skills
- **Science:** Forces and Motion
- **Writing:** Reviewing sentence and paragraph formation
