HOUSTON COUNTY, GA – The Houston County School District has partnered with the Houston County Health Department for the 18th year to offer free flu vaccines to students and employees. The flu shot is being offered at more than 40 sites between October 19 and November 17. In order for students to receive the vaccine at school, parents are required to complete an online consent form by October 2.

Visit the North Central Health District's website to learn more about the flu. For more information, please contact your child's school or Dana Rollins, Coordinator of Health Related Services, at (478) 988-6200, ext. 3555, or dana.rollins@hcbe.net.
