

Meet

the

SCHOOL-BASED MENTAL HEALTH PROFESSIONAL

Kristin Draeger,
District-wide
Mental Health Professional

Education

Earned a Bachelors of Science in
Psychology at South Dakota State
University

Fun Facts

- ✓ I love dogs.
- ✓ I married my high school sweetheart.
- ✓ I love naps.

Experience:

More than 16 years in the mental
health/social services fields

I am looking forward to...

being a part of a strong mental health program that ensures that mental health development & needs are focused on and enriched in kids. I appreciate being able to work with kids on meeting these needs in the school setting.
