Highlights from Letters to Power 88

I just wanted to say thank you for putting music out there that I am proud to let my children listen to. On Friday, we were watching the Today show and they 2 young girl groups, one in particular, that were dressed way too old for their age, and one was singing a song entitled "I kissed a girl" or something like that. Needless to say: my 5-year old girls said "Mommy I don't like her or that song". I was so thankful. **I asked what they wanted to listen to and they said Power 88 like we listen to in the car.** I was so excited that even at their young age they are learning that what they listen to makes a difference. They even said that the song she was singing didn't make God happy. THANK YOU THANK YOU THANK YOU for putting good clean music and Godly men and women on the air that makes kids and adults want to listen to. I cannot say THANK YOU enough. S.E.
