

DRAFT

April 18, 2024

Present: Jodi Short, Christy Garland, Tiffany Branson, Pat Chiappetta, Nicole Shoudel, Bobby Jones, and Dr. Sonya Kiefer

Sonya Kiefer started the meeting with a welcome and the pledge of allegiance. She welcomed everyone and the meeting was called to order.

The agenda for the meeting was reviewed. Jodi Short then made a motion to approve the agenda. Christy Garland seconded the motion. The vote was unanimous and the motion carried.

The minutes of the February meeting were reviewed. Pat Chiappetta then made a motion to approve the agenda. Bobby Jones seconded the motion. The vote was unanimous and the motion carried.

Dr. Kiefer gave an overview of the safety updates. We have conducted Code Safety Drills to practice severe weather drills, code blue, code yellow, and code red. Dr. Kiefer also gave an update on the upgrades for access into the office. The office doors have a locking mechanism installed that keep the school secure from visitors coming into the office. The office personnel must “buzz” visitors into the office, and there is not direct access to the building from the office without the permission of the office staff.

Dr. Kiefer shared curriculum, instruction, and assessment updates as well. The UFLI curriculum has been a success in developing foundational skills and we are continuing to build professional knowledge in our faculty and staff. MAP Growth for the spring is complete, and we are in the process of looking at updated data across the school. GMAS 3 – 5 is coming up next door. Teachers are beginning to use the data in second grade to project performance on GMAS. Our K – 2 students will take the MAP Fluency beginning in May. This gives us a picture of the foundational skill level of our students.

We have several school updates. The PTO Spring Fling was a huge success. The new playground has been approved and we are waiting for an installation date from the company. We are working hard with our students and parents regarding tardies and breakfast procedures. Car riders need to be in the building prior to 8:25 to receive breakfast. Students need to be in their seats prior to 8:30 to begin instruction. Breakfast is provided for bus students. We have our Growth Parade scheduled for May 13th to celebrate the growth of the students at Lake Joy Primary. School Council members are invited as special guests.

With no additional discussions, a motion to adjourn was made by Bobby Jones. Jodi Short seconded the motion, and the meeting was adjourned. Our next meeting will be held on April 29th at 7:45am in media center for elections.
