

MEET THE SLP

Hi students! I'm

Mrs. Moon

I am the speech-language pathologist (SLP) for BGS. I've been an SLP since 1997 and have worked in hospitals, clinics, nursing homes and early intervention settings.

I am actively involved at the local, state and national level with other SLPs. My professional goal is to help children develop lasting abilities from their individual disabilities and foster communication skills across the school community.

I have been married to Mr. Moon for 25 years this year and our two children attend Hope College in Holland, MI.

Here's some more about me!

- ★ **Favorite season:** Summer-we love to fish & boat!
- ★ **Favorite color:** Orange and blue to support Hope College where my son plays basketball!
- ★ **Favorite drink:** Anything with a friend on a porch
- ★ **Favorite food:** Anything unique from a local/off-the-beaten-path restaurant

Here's a little bit of my

education

I graduated from Northeast Missouri State University/Truman State University in 1996 with my Bachelor's degree and in 1997 with my Master's degree.

About Speech: Your child will be receiving speech and language services to address goals according to his/her IEP or intervention needs. Typically your child will receive therapy once or twice weekly. Keep an eye out for the blue speech folder to know what we are working on and how you can support your child at home!
