What is Title I?

East Fannin Elementary is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support state and local school reform efforts tied to challenging state academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop, with parents and family members, a written parental involvement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how East Fannin Elementary will provide opportunities to improve parent engagement to support student learning. East Fannin Elementary values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that East Fannin Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

East Fannin Elementary School invites all parents to attend the School Governance Team meeting, Parent Advisory Group meeting, and various other meetings to review and revise the Parent and Family Engagement Policy, as well as the school wide plan, our School-Parent Compact, and the Parental Involvement Budget. Additionally, parent input and comments regarding this plan are welcome during the school year. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also send surveys home with students, which are made available online, to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during parent meetings and activities throughout the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. East Fannin Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

Where is it available?
