# FOREWORD

This book of memories is new . . . . and different. We have endeavored to preserve in picture from all activities of 1948-49. To help you recall these moments, we have presented them in the order of their occurrence. Special thanks go to Ruth Gilman, without whose help this "diary" would have been impossible.

Dear Students:

This record of our activities during 1948-49 will recall many pleasant memories to each of us. The experiences that will mean most to you are those which have required your best ingenuity in planning and best efforts to accomplish. It is my hope that this yearbook may inspire you to a better and happier life in the years ahead.

**There Lakeland 7-32  
 October 1, 1948**

Lakeland's Dreadnaught eleven turned back the eager Walesmen 32 to 7 in their first tilt of the '48 season. The Highlanders started the season with only seven varsity men from last year and an almost completely green line. Lakeland scored in every period while Lake Wales made their only one in the second quarter. Wayne Clark snagged a short pass from Buford Long and outran the entire Dreadnaught backfield to cross the goal line standing up. Clarence Jones booted the extra point. This was the first touchdown ever to be scored on the Lakeland team by a Lake Wales eleven.

October 8, 1948

With a combined ground and air attack, the Highlanders got on the winning ticket by overwhelming the Blue Streaks 37 to 6. Four of the Lake Wales touchdowns were made on the ground and two in the air. Buford Long made four of the "zone busters". Roy Craig and Buddy Farris each scored once after receiving passes from Wayne Clark. Sebring chalked up their lone TD with a drive from the 50 yard line where they had taken over on downs. The Lake Wales line showed much improvement after Wingfield was changed from fullback to guard. Massey and Lee, seniors, also "held that line".

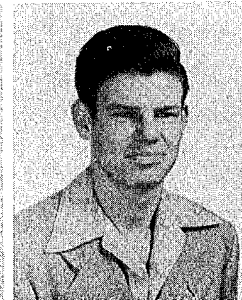

Pat Beatty as "Bill Jackson" may have "rued the day he joined the Dark Town Poker Club", but he stole the show on the freshman Amateur Hour in Friday's assembly program. Alexander, Burgess, and Sprott assisted.

Here, Mulberry 14—0  
October 15, 1948

Hitting their stride, the Highlanders went all out to blank out a powerful Mulberry squad 14 to 0. The Panthers were a tough lot to handle stopping a Lake Wales drive on their goal line. Wally Hartwig caught an aerial taking it to the one yard line for a first and ten. Long scored first on a 65 yard gallop, followed by Clark in the fourth quarter on a 45 yard pass interception. Jones and Long added the extra points. Buddy Farris sparked the passing offense completing six out of the eight attempted.

October 22, 1948

The drive of conquest was continued as Lake Wales fired a 33 to 0 defeat at the Avon Park Red Devils. The Devils were not able to get within striking distance until late in the last quarter only to lose the ball on a fumble on the one yard line. Quillen Driggers, playing his first year of football, caught a pass from Long in the second period for a touchdown. Other scores were made by Clark, Jones, and Long. In the closing minutes of the game another Lake Wales TD was made but was nullified by a 15 yard clipping penalty.

**There Kissimmee 13-27  
October 29, 1948**

Topping the Highlanders by two touchdowns, the Kowboys of Kissimmee put an abrupt end to their win streak, 27 to 13. This was one of the roughest games played by the boys all season. Lake Wales scored in the second and third quarters with Clark and Jones supplying the man power. At half time the score was 6 to 6. Both teams were tied 13 to 13 at the end of the third period, but six first string men were taken off the field with injuries in the third and fourth periods.

**There Frostproof 27—0**  
November 5, 1948

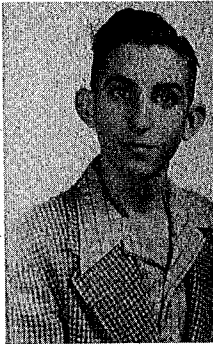

The scrappy Bullpups put up a fight but were downed 27 to 0. This was their first meeting in several years. The Frostproof squad threatened to score several times but lost the ball either on downs or a fumble. Both elevens concentrated on their pass offense. Craig, Clark, Wingfield, and Pete Jones made one TD each to run up the score. Craig caught an aerial for his; Clark ran 60 yards for a score; Jones took it on a line buck; and Wingfield blocked a punt and carried the ball over from the 15.

November 19, 1948

Another dangerous foe was put aside as the Highlanders downed the Kathleen Red Devils 26 to 7. The forward wall did an excellent job of stopping two touchdown drives almost on the goal line. Jones made the first marker for Lake Wales on a 45 yard sweep. Long thrilled the 3500 fans in the second half, breaking the Kathleen half-time lead of 7 to 6 with three touchdown runs of 25, 50, and 60 yards. Kathleen slightly outpunched the Highlanders in first downs and passing. They had 10 FD to our 7 and completed 7 out of 12 pass attempts.

November 24, 1948**

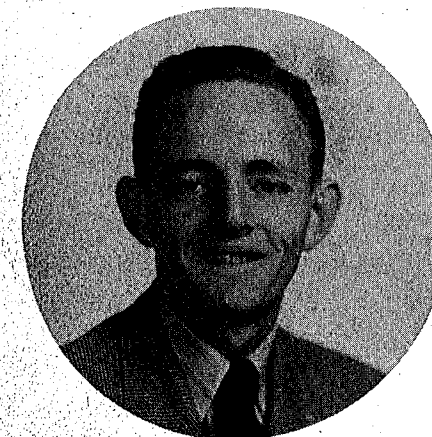

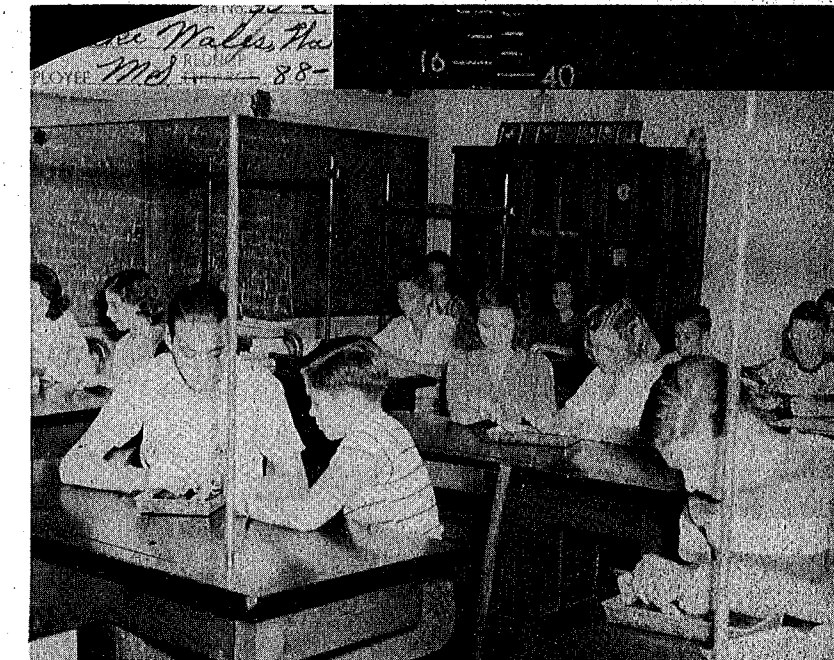

The Highlanders fought a hard game but gave up all title hopes as they lost to the Hornets 12 to 6. About 6000 watched the Haines City team rack up 21 first downs to Lake Wales' one. The team was gallant in goal line stands stopping a number of possible scores within the 15 yard line. The only Lake Wales touchdown was made by Buford Long, running 35 yards around left end. Haines City scored first after a march clear up the field in the first quarter. They scored once more in the third followed by a Lake Wales rally which ended in a TD. This victory clinched the Championship for the Hornets for the fourth straight year.

**There Bartow 53—13  
December 3, 1948**

Lake Wales finished the season with a flame of glory as they rambled over the hapless Bartow Yellow Jackets 53 to 13. The Jackets were outplayed all the way with Lake Wales taking a quick lead in the first quarter with two touchdowns. The Highlanders had possession of the pigskin nine times, eight of which climaxed in scores. Buford Long led the scoring with four; Jones followed with two; then came Clark and Craig with one each.
