SPORTS ACTION

The Northeast football teams played home games at Northwood University last night against Meridian. **The 7th Grade team** had a hard fought game, and came away with a victory, winning 16-8. **The 8th grade team** was able to avenge a loss from last year and won 42-18. Congrats to both teams on their victories. The football teams would like to thank both the pom and cheer teams for being out there and keeping the fans in the game. Great halftime show as well! Both football teams are on the road next Wednesday at Bay City Handy.

The 7th Grade Girls Basketball team took on Saginaw Middle School last night. It was a close game but ended in a 40-31 loss. Cora Grey, Cece McPeak, Charlie Laplow, Emma Abbate, and Josie Veit all contributed. They will take on the Jefferson Huskies here on Monday at 4:30!

The 8th Grade Girls Basketball team battled hard to come back from a 17 point deficit to Saginaw Middle School after halftime but came up short 57-40 at the end. The entire team rebounded well and gave it their best. Monday they'll be away at Jefferson at 4:30!

The Cross Country team ran at White Pine Middle School last night. The boys won the meet, and the girls took 8th place. Well over half of the team had personal records set! Some of these PRs were run by Matthew Bergman, Cayden Scott, Theo Thompson, Isaiah Skutt, Ella Johnson, Heidi Weber, and Henly Fischer. Nice work runners!

IMMUNIZATIONS

ATTENTION PARENTS OF 7TH GRADE STUDENTS:

Michigan law requires that all students be immunized against vaccine preventable diseases to attend Northeast Middle School. When a student enters 7th grade, the immunization requirements change. Please be sure your student is up-to-date.

The deadline for immunizations is November 1, 2026, but appointments with the Health Department become increasingly difficult to secure as the deadline approaches. The typical immunization update requirements for 7th graders include a **booster to Tdap and the meningitis vaccine**.

NOTE: Any parent/guardian who wants to claim a non medical waiver will need to receive education regarding the benefits of vaccination and the risks of disease from a county health department before obtaining the certified nonmedical waiver form through the Local Health Department. The new rule requires the use of the State of Michigan non medical waiver form dated January 1, 2017.
