

Message Builder

! Messenger 2.0 is now available! This integrated tool includes all the features of: Message Builder, Staff Messenger, Emergency Messenger, and Message Builder Scheduler. Featuring a mobile friendly design, searchable template and recipient lists, flexible scheduling options, and the ability to view scheduled/in-progress messages all in one place. More features on the way. Messenger 2.0 tool rights will need to be enabled.

Message Builder sends notifications to students and/or Messenger contacts based on the criteria selected.

The Template Name and User/Group can be changed after selecting Save or Copy.
