

2023-2024 NTI Day #9

9th Grade English

Teacher: Mrs. Branscom

Assignment

Answer the following questions in a two-paragraph format.

How does Khan Academy describe Milgram's experiments? How does this compare to Cari Romm's depiction of the experiments?

Discuss how the information provided about Milgram's experiments in each text impacts your views on the conclusions drawn from the experiments as well as how the experiments were conducted.
