## EAGLE EYE STUDENT INCENTIVE PROGRAM

The school continues to apply the Eagle Eye Student Incentive Program to promote positive student behavior. The program was started last school year under the guidance and leadership of former Dean of Students, Mr. Herbert Harvey.

'The LCS K-8 Big Bucks and Eagle Eye Student Incentive Program is available and promotes on a school -wide basis for staff input toward recognizing and validating students who show exemplary positive behavior on school campus and on the school buses. This follows a lifelong learning process for Dine People under the T'aa Hwii Ajit'eego concept.' – Mr. Harvey

Safe School Safety Officer, Jennilee Yazzie and School Counselor, Arlinda Betone continue to coordinate the program.

Staff are given coupons which they award to students for positive behaviors while being on school campus and/or bus. The coupons collected by students are exchanged for prizes during coupon redeem days.

So far, the school has had one coupon redeem day and that was Friday, 11/01/24.

### LCS Eagles STREAM Team

The school has formed the LCS Eagles STREAM (Science, Technology, Robotics, Engineering, Arts, and Math) Team with the sponsorship of ESS staff, Mr. Byers.

'The team are currently working hard in building their DELTA IV Parker Solar Probe papercraft rocket. Students are taking part in the "Heliophysics Big Year", exploring unexpected heliophysics discoveries, making culturally responsive connections to other scientific divisions, and learning how these scientific missions affect students and their community.'

-Mr. Byers, STREAM Sponsor
