

ADDENDUM

Project:	Christian County High School Furniture Package Christian County Public Schools Hopkinsville, KY	Addendum No.:	003
		Date:	November 13, 2025
Owner:	Christian County Public Schools Hopkinsville, KY	Project Number:	2106-204
		KDE BG #22-104	
		Contract for:	Furniture

The original specifications and drawings dated October 2025 for the project noted above are amended as noted in this Addendum Number 003. Receipt of this addendum and any subsequent addenda must be acknowledged on the final bid documents. This addendum consists of eight (8) item(s) and zero (0) attachment(s).

- 3-1 Clarification WS01 & WS02 – Storage tower to be 24” deep instead of specified 18” deep.
- 3-2 Clarificaiton BC01, BC02, BC03 – if counterweight is not available bookcases need to be secured to the wall.
- 3-3 Clarification C01.1 – standard height range of pneumatic 7” is acceptable. No footring is necessary.
- 3-4 Clarification C01.2 – Soft casters are needed for resilient flooring.
- 3-5 Clarification LF01 – follow the spec sheet for manufacturer. See addendum 001 for approved alternates.
- 3-6 Clarification on all DK tagged furniture – the furniture specification should be The Hon Company Concinnity instead of The Hon Company 10500.
- 3-7 Clarification DK02.1, DK02.2, DK03.1, DK03.2, DK03.3, DK04 – Wardrobe cabinet is approved as Storage Tower with laminate doors HNL242479TLL and HNL2424TLR.
- 3-8 Additional Information –
 - Printed copies of the bid are not required.
 - The whole building will be turned over at once for furniture install. If phasing is requested by the dealer it will be approved by CCHS prior to ordering.
 - Floor protection is not required but the buildings will be final punched before furniture install begins. Any damage to the floors and walls will be the responsibility of the furniture dealer.
 - OAC meetings will be scheduled as needed for any questions.
 - Staging areas are available and will be discussed and approved prior to ordering
 - Dealers will have full access to all elevators

- All hardwiring of furniture was included in the construction project. Dealers will notify the construction manager when the electrician is needed.
