*School starts Monday! If you drive your child to school, plan to arrive no later than 8:30 am. For your convenience, we are opening the main door of the school for students to enter the building and enjoy their breakfast beginning at 8 am. ALL students should use the main entrance between 8 am and the arrival of the buses. Once buses arrive, students should be dropped off at the following locations:*

- Drop-off for grades PK-4 beginning at 8:30 or as soon as the buses arrive will be on Pease Street, with cars lining up single file on the side of the street. Students will exit vehicles on the sidewalk side of the road only.
- Drop-off for grades 5-8 beginning at 8:30 or as soon as the buses arrive will be the circle turnaround between the school and Town Hall, with cars lining up single file and students exiting out of the right side of the vehicle. Students will need to walk on plywood sheets and use the long paved walkway to the upper middle school doors to enter the school because the pavement has not yet been replaced as a part of the underground storage tank project.
