- 7:55 – Pledge/ Moment of Silence/Announcements
- 8:00 - **Tardy Bell Rings. “Students are late at 8:00.”**

## **ABC’s of Success in School**

**A is for Attendance.** Students are expected to attend school. Students are to arrive for school on time.  
**B is for Behavior.** Students are expected to behave appropriately at all times. This includes following all rules, policies, and expectations set forth by the faculty and staff of Miller County Elementary School.  
**C is for Class work.** Students are here to learn and to work. All class work (and homework) is to be completed as expected by your teachers.

## **ARRIVAL AT SCHOOL**

MCES doors open each day at 7:30. Students should not be unloaded by car or by bus before that time. **At 7:30, students will report to their homeroom classes where they will eat breakfast.** Announcements will be made at 7:55, and the tardy bell will ring 8:00. Class will begin promptly at 8:00.

## **Tardy to School**

**Any student arriving at school following the ringing bell, chime, or other audible signal established by the Principal to indicate the start of the school day. Any student who is on school property but is not in his or her assigned classroom or other authorized area following the bell, chime, or other audible signal will be considered tardy to school.** Repeated or habitual unexcused tardiness is an undesirable personal habit and is also disruptive of the orderly instructional process; therefore, teachers, principal, or principal’s designee will take corrective action.

## **CHANGING THE WAY STUDENTS GO HOME**

Students feel safe and confident when they go home the same way every day. If it should become **NECESSARY** to change the way your child goes home or for your child to ride a different bus, then you **MUST** send a written note with a parent signature, including instructions on how to go home. (In **EMERGENCY SITUATIONS ONLY**- you may contact Ms Pam Edwards in the front office and send a written fax to 229-758-3244 or you may send an email to Ms. Pam Edwards at [pedwards@miller.k12.ga.us](mailto:pedwards@miller.k12.ga.us) prior to 1:45 pm. **You may also DOJO your child’s teacher before 12:00 Noon.**)

## **EARLY CHECK OUT**

**When possible, medical and dental appointments should be made outside school hours.** Students are responsible for all missed assignments. A student will be released only to the parent/guardian unless the parent/guardian notifies the secretary that he/she has granted permission for someone else to pick up his/her child.

All students will be checked out at the front office at which time your child will be called to leave. Parents/guardians will sign the student out and will wait for the student in the front lobby. Children may not leave through the front doors without adult supervision for the safety purposes. It is not acceptable for a parent to wait outside the classroom door for his/her student. Teachers will not dismiss a student unless they are notified by the front office. **At the school system's discretion, students establishing a pattern of early checkouts may be referred to the Principal.**

### **LEAVING SCHOOL GROUNDS**

Students are required to stay on the school grounds at all times during school hours. Any student that leaves our campus without being signed out and picked up by a parent will be subject to disciplinary action. Law enforcement may be contacted as a necessary step should this occur.

### **MESSAGES FOR TEACHERS**

All messages for teachers should be sent by email, Class DOJO, or through the school secretary. Messages are checked by the teachers at least once a day. Teachers will respond to messages during their planning time or after 3:15. **Parents are asked not to contact teachers about school/student concerns through Facebook or other forms of social media. Please do not leave any bus or car pickup changes on a teacher's email as she may not get those types of messages until the end of day. ALL SUCH CHANGES MUST GO THROUGH THE OFFICE.**

### **MOMENT OF REFLECTION / PLEDGE OF ALLEGIANCE**

Each morning students will participate in a brief period of quiet reflection for not more than 60 seconds as required by Georgia law (O.C.G.A.20-2-1050) followed by the Pledge of Allegiance.

### **VISITORS**

Parents and Guardians are welcome at Miller County Elementary School. **All visitors are required to check in at the office upon entering the school building.** House Bill 161 requires that immediately upon entering the campus, "any person who is not a student at such school, an employee of the school or school system, a school board member, an approved volunteer following the established guidelines of the school or a person who has been invited to or otherwise authorized to be at the school by a principal, teacher, counselor, or other authorized employee of the school shall check-in at the designated location as stated on posted signs and provide a reason for his or her presence at the school immediately upon entering the campus."

Once you have signed in on the visitor's log in the front office, the office staff will issue a visitor's badge. For the safety of our students, we request that visitors wear the badge while they are in the building. This assures us that visitors checked in with our office staff. **In an effort to protect the school's learning environment, infants and small children should not be taken on classroom visits.** Parents and guardians are urged to visit the school for conferences and planned activities. **A visitor's guideline for will be available at the time of the scheduled visit.**

**\*\*\*Note\*\*\***

**Visitors entering the school complex should be dressed for an environment conducive to learning. Visitors will not be allowed to enter the building if wearing inappropriate clothing (this includes bedroom clothing and clothing with inappropriate pictures and or words). Visitors should abide by the Student Dress Code.**

**WITHDRAWAL FROM SCHOOL**

A withdrawal form should be filled out in the office **several days before a student withdraws**. This will allow the office time to prepare all forms so your child's records can be sent to the proper place once a request from the new school has been received. Please make sure all textbooks and library books are returned to school before your child withdraws as this process cannot be completed until all books and charges are cleared. All records will be forwarded upon notification of enrollment from the new school.

**TELEPHONE**

Use of the office phones will be restricted to emergency situations. ***Students and parents should plan ahead to avoid phone messages being delivered during the school day.*** Due to time constraints for locating students, messages for students must be made by no later than 1:45 p.m. each day. Messages called in after 1:45 p.m. cannot be delivered unless it is an emergency.

**OUT OF COUNTY STUDENTS**

It is the policy of the Miller County Board of Education to accept out of county students if they meet the established criteria. There are academic and behavior standards students must meet and maintain while they attend Miller County Schools. Any out of county students who fail to pass 4 of the 6 classes in high school or qualify to be retained while attending the Miller County School System may be asked to return to the school that serves their county. Students who are referred to the office more than 6 times in a year, fight, or cause disruptions in the daily flow of school will also be required to return to their service area school. Due to attendance problems, students who reach 14 excused or unexcused absences during the full year or accumulate 7 tardies to school in a semester will be withdrawn. **Students will be placed on a probation period after seven excused/unexcused absences, or five tardies in a semester and parents must attend a meeting with the Principal or Principal's designee.** The principal has the authority to require the student to return to their service area school at any time they become a discipline problem. No out of county students will be accepted if problems with discipline, attendance, or any other good and sufficient reasons. The following guidelines will be followed:

1. This does not apply to students who are currently enrolled as long as they are continuous in their enrollment. If there is a break in enrollment, then they will be treated as a first time enrollee.
2. This does apply to siblings that are to be enrolled for the first time.
3. This does not apply to the children of employees.
4. This does not apply to children living with a relative or guardian in Miller County.

## TOYS AT SCHOOL

In order to prevent distractions during the instructional day, it is necessary for students to leave all objects that interfere with instruction (i.e. toys, games, baseball cards, magazines, etc.) at home unless a teacher requests that a student bring a specific item for a specific occasion. Parents will be notified when these special occasions may occur.

## STUDENT IMAGES on SOCIAL MEDIA and WEBSITE

The district reserves the right to publish images of students related to school activities on the district & school website, in newsletters, facebook@millercountyschools, MCES Facebook page, on Class Dojo, or other applicable media. Images are pre-approved by the Principal or media webmaster prior to publication. Parents and guardians reserve the right to opt-out of having their student's image released for publication by contacting the school and completing an opt-out form.

## CELLPHONES

MCES strongly recommends that all cellphones be left at home. However, MCES understands the need for some students to have cellphones for communication purposes **after school hours**. Instructional time is very important, so Cellphones are not to be on during school hours (7:30am to 3:30pm) and are not permitted on the bus. Cell phones should be turned off at all times at school and kept in a student's book bag. MCES is not responsible for lost or stolen cell phones. Cell phones that are out during the school day will be taken up and the parent will be called to come pick up the cell phone from school.

## SNACK STORE

MCES will again have the Pirate's Pantry. We will have various snacks that may be purchased before recess each day.

## PETS

For the safety of our students and faculty, no pets are allowed on campus or in the building.

## **PERSONAL PROPERTY**

Clearly mark any personal property (book bags, purses, coats, etc.) so that lost items can be returned.

## **LUNCH AND BREAKFAST**

To encourage good nutrition, breakfast and lunch are offered daily. ALL STUDENTS AT MCES WILL RECEIVE FREE BREAKFAST and LUNCH MEALS. The food service program is a self-sufficient program that will operate from CEP, (Community Eligibility Provision) monies. Funds are received through payments for meals and reimbursements from this federal program. Thus, MCES students will not complete free and reduced lunch forms. Breakfast is available daily **between 7:30 to 8:00 a.m.** Students eating breakfast should arrive between 7:30 and **7:50**. Students arriving later than **7:50** will not be offered breakfast except when arriving on a late bus.

Monthly menus are sent home each month and weekly menus are printed in the *Miller County Liberal*.

**Each year a signed note from a medical doctor indicating any food allergies is required. Please turn into the school nurse, Ms. Michelle, so that appropriate substitutions can be made.**

**Please note that sodas (canned or bottled) are not allowed in the lunchroom for lunch.**

**Please note that food from outside of the lunchroom cannot be brought into the lunchroom unless it is in a lunchbox or brown paper bag.**

## **LUNCHROOM CONDUCT**

Good table manners are a MUST and students are expected to demonstrate acceptable behavior during meals. This includes being respectful to adults in the lunchroom.

Please discuss the lunchroom rules listed below with your child. **Loud talking, throwing food, passing food, running, hitting, pushing, and playful behavior will not be tolerated.**

## **COUNSELING SERVICES**

The purpose of the guidance program at Miller County Elementary School is to help each individual student achieve his/her highest growth mentally, emotionally, and socially. The counselor welcomes the opportunity to meet with students to help resolve their problems and concerns. Students may be referred to the counselor in any of the following ways

- Self-referral – any student who wishes to meet with the counselor to discuss a social, academic, or other concern may do so by placing a request in the counselor’s box or by having a teacher/staff member send an email on the student’s behavior to request a meeting. The student may write a note to the counselor, or the student may come by the counselor’s office to make an appointment.
- Teacher referral - a teacher may refer a student for counseling by placing a “Referral for Counseling/ Evaluation” in the counselor’s box, send an email stating the problem/concern or request for counseling, or the teacher may meet with the counselor to discuss a problem which he/she has encountered with the student in order to make a referral.
- Parent referral - a parent may request that the counselor meet with his/her child to help with a concern. The parent may email or call the counselor to request this service.

The counselor works with students on an individual basis, in small groups with students who have a common concern or need, and in classroom guidance activities, which have been developed to meet assessed needs.

**CLINIC SERVICES AND MEDICATIONS**

Children who become ill at school will be cared for by the school nurse. Simple first aid procedures will be administered when warranted. Emergencies will be handled appropriately, and parents will be promptly notified. No internal medicines such as Pepto-Bismol or Tylenol shall be given without prior parent approval. Authorization to administer Pepto-Bismol or Tylenol shall be given to school personnel by signing the appropriate authorization notice sent home at the beginning of the year. **Children with a temperature of 100 degrees or higher will need to be picked up immediately. Children with contagious conditions may not return to school without medical certification from a doctor or the health department.**

**MEDICATION**

If it is necessary for a student to take any form of medication at school, such as over the counter medication, a signed Authorization Health form from the parent or legal guardian is required before medicine will be given. This form is provided at the beginning of school, to be signed, returned and kept on file.

If it is necessary for a student to take any long term daily medication, an authorization form must be filled out and kept on file. This form may be obtained from the school nurse. All medicine should be in the original prescription bottle, with name of patient, name of physician prescribing and the name of the pharmacy filling such prescription. (Code JGCD) The nurse has the right to refuse to give any medication that is questionable or expired. We encourage you to give medication at home whenever possible. When sending temporary medication, please send only what needs to be given during school hours (example: five days of antibiotics, send five pills in the original prescription bottle.) Any medication must be brought to school by a parent or legal guardian and an authorization form must be filled out and signed. Any unused medicine must be picked up at the end of the school year or it will be discarded.

Asthma Medication: SB 472 authorizes a student’s self-administration at school of asthma medication, thus relieving the school district and its employees of any liability in connection with

self-administration. In order for a student to keep an asthma inhaler in his/her possession, the following must occur: (1) Written permission from a parent or legal guardian; (2) written physician's statement detailing the name and purpose of the medication, prescribed dosage, and time(s) or special circumstances for administration of the medication; and (3) written authorization from the parent/legal guardian for the school to seek emergency medical treatment for the student when necessary and appropriate. The parents must notify the school nurse if their child will have an asthma inhaler or an epi pen at school.

**BOARD POLICY: Description Code: JGCD Medication**

All medications other than the exceptions listed in this policy, whether prescription or over-the-counter, may be administered only in accordance with the guidelines set forth by the principal of each school. All medications must be taken by the student, parent or guardian to the school office (nurse's office) immediately upon arrival at school and must be in original pharmaceutical containers, clearly labeled as to the name of the student, the name of the medication, the appropriate dosage, and the times for dosage. Any student possessing prescription or over-the-counter medication not in accordance with these guidelines will be considered in violation of the School District's drug policy and shall be subject to the discipline set forth in the student code of conduct and/or the student/parent handbook.

A student for whom the school has on file supporting medical documentation may carry at all times with parental/guardian permission inhalers for asthma, auto-injectable epinephrine (epi pens) for allergic reactions and medical needs for diabetes. Students authorized to self-administer such medications shall be instructed not to permit any other student to handle, possess, or otherwise attempt to use his/her medication and shall be informed that violations of such instructions will be dealt with in accordance with the student code of conduct.

In order for the student to carry and self-administer such medications, or in order for the school to store and administer the medication for students who are unable to self-administer because of age or any other reason, parents must provide a written statement from a licensed physician confirming that the student is able to self-administer the medication, if applicable, and written permission from the parent for the nurse or designated employee to consult with the doctor regarding any questions that may arise concerning the medication. Such permission shall release the school district and its employees and agents from civil liability for administering such medication to students, or if the self-administering student suffers an adverse reaction as a result of self-administration of such medication. Parents are encouraged to provide the schools duplicate medication and supplies in the event a student is unable to self-administer or fails to bring the medication or equipment to school.

Nurses or other school employees are authorized to administer an epi pen, if available, to a student who is having an actual or perceived anaphylactic adverse (allergic) reaction, regardless of whether the student has a prescription for epinephrine. Any school employee who in good faith administers or chooses not to administer an epi pen to a student in such circumstances shall be immune from civil liability.

**COMMUNICABLE DISEASES**

Students that enter school with any contagious disease or illness will be sent home. If a child is sent home for head lice, they must have an actual clearance from the Health Department or doctor before returning.

## **HEAD LICE PROCEDURE**

In an effort to keep students free of lice infestation, and to prevent outbreaks of head lice, Miller County School System follows the recommendations of the CDC. If any student is found to have head lice or lice nits (eggs) his/her parents/guardians will be contacted. Parents/guardians will be informed of lice infestation by a letter that explains the problem, how to detect lice and nits, and steps to take for treatment. The parents/guardians are to treat the head lice in a timely manner, including manual removal of ALL nits. Treatment of head lice usually takes no more than two days. If a child is sent home for head lice on a recurring basis, they must have a clearance from the Health Department or doctor before returning. Students who have been dismissed home due to head lice will not be allowed to ride the school bus. After the third day of absence following each episode of infestation, the school counselor or social worker will contact the parents/guardians.

## **IMMUNIZATION**

The Miller County School System, in accordance with the Georgia Department of Human Resources and Georgia law, requires all students entering a Georgia public school to have a Certificate of Immunization. This form may be secured from the Miller County Health Department or from your private physician's office. The school must have this form on file in order for your child to be officially enrolled in school. Please help comply with Georgia law and protect your child by having this certificate completed before your child enters school. Questions regarding immunization may be directed to the record's clerk. The shot may be secured from the Health Department or your private physician. For additional information, contact the school records clerk at 758-4140.

## **PROGRAMS FOR HOSPITAL/HOMEBOUND STUDENTS**

A student who has a medical diagnosis, non-communicable condition that restricts him/her to home or hospital for ten or more school days or on an intermittent basis may be eligible for hospital/homebound support. Please contact the Principal or the Board of Education office (758-5592) if this service is needed.

## **ACCIDENTS/ EMERGENCIES/ ILLNESS**

Parents are required to provide the school with up-to-date telephone numbers where they can be reached in case of accidents, emergencies or illnesses. Additional numbers of responsible parties are also required as back up. It is the parent's responsibility to notify the school secretary when there is any change in mailing address and/or phone number(s).

## **PHYSICAL IMPAIRMENTS OR CONDITIONS**

Students may have a physical impairment or condition that the school personnel may need to know about. It is the parent's obligation to inform the school in writing, by phone, email or by a conference concerning a student's impairment or condition on the first day of school or immediately after the condition occurs

## **ATTENDANCE**

The Miller County Board of Education recognizes the value of regular attendance in enabling pupils to profit from the school program. Not only is each day's lesson important to the individual student, but his/her presence as class participant contributes to the education of others. Regular and punctual attendance on the part of all students is necessary for success in school. Repeated tardiness and absences may cause one to become discouraged and bring about failure in school.

The Miller County Board of Education has an approved school calendar for the school year. This official calendar contains holidays and teacher in-service days on which students do not report to school. **The calendar does not contain nor does the Miller County Board of Education recognize vacation trips out of town with family members. Absence from school is defined as the non-attendance of a pupil on any day school is in session.**

In accordance with state law, all children between the ages of 6 and 16 are expected to be in regular attendance in some bona fide school unless their mental and physical condition justifies their being excused.

Children enrolled in the public schools prior to their sixth birthday are subject to this law and the rules of the State Board of Education governing compulsory attendance even though they have not attained six years of age. The Truancy Officer shall verify the enrollment of students attending private schools and be informed by principals, using methods designated by the Superintendent, of those enrolled in the system's schools. The Truancy Officer shall also investigate all cases of failure to enroll or habitual absence by children of school age who are residents of Miller County, and shall recommend appropriate action in accordance with state laws and State Board policies governing attendance.

### **GEORGIA COMPULSORY ATTENDANCE LAW: State of Georgia: Georgia Code: 20-2-690.1.**

All children enrolled for 20 school days or more in the public schools of this state prior to their sixth birthday shall become subject to all of the provisions of this article, the provisions of Code Sections 20-2-690 through 20-2-702, and the rules and regulations to the State Board of Education relating to compulsory school attendance even though they have not attained six years of age. (Code 1981, §20-2-150, enacted by Ga. L. 1985, p. 1657, §1; Ga. L. 1987, p. 1169, §1.)

#### **Attendance: Rules Governing All Students:**

1. Students who are absent may be temporarily excused from school when:
  - a. Personally ill and when attendance in school would endanger their health and the health of others.
  - b. A serious illness or death in their immediate family necessitates absence from school.
  - c. Mandated by order of governmental agencies, including pre-induction physical examinations for service in the armed forces, or by a court order.
  - d. Celebrating religious holidays observed by their faith.

- e. Conditions render attendance impossible or hazardous to their health or safety.
  - f. Registering to vote or voting, for a period not to exceed one day.
  - g. Absences are deemed educational in nature by the building level administrator.
  - h. ## **MEDIA CENTER**

Reading is essential to education! Students come to the media center to check out books regularly with their classes. Grades 2-5 may check out two books at a time; first grade checks out one book, unless the teacher gives permission for two.

Students should read their books in a timely manner to ensure they do well on AR tests. For this reason, we ask that students return books within two weeks. Daily at-home reading time will help students become better readers and ensure they finish their books in that period.

We do not charge late fees for overdue books. However, if a book is damaged or lost, the student will need to pay to replace the book. Students will not be allowed to check out new books until they have paid for the lost or damaged book. Please take care of library books so that others will also be able to enjoy the books.

How to keep books in good condition:

- Turn pages carefully to avoid tearing pages.
- Do not write or draw in books.
- Keep books away from food and drink at all times. Hint – do not put water bottles in backpacks, as water ruins books.
- Keep books away from younger family members and pets.

Treat library books like your friends, and they will stay in good shape for the next reader!

## **SCHOOL PROPERTY/TEXTBOOKS**

Students damaging school property or equipment in any way will be held responsible for the costs incurred to repair or replace the item(s). Student acts of vandalism will result in stern disciplinary action.

Textbooks that are lost, stolen, or damaged must be replaced. Parents are responsible for the replacement/damage costs. Student records, including report cards, will be held until all costs/debts are either paid or the item is returned.

## **SEARCHES**

Searches of students and their belongings on school property will be conducted in accordance with state law and local school board policy.

Each day all students will be given an opportunity to eat a snack brought from home. Because of limited help in the front office and because instruction time cannot be interrupted to deliver a snack, **parents are not to drop off snacks** that their child forgot to bring to school. Please have your child bring what he/she needs to school.

## **SOCIAL SECURITY NUMBER**

According to Georgia Law any student who is admitted to Georgia public school is requested to have an official copy of his/her social security number on file at the school. Parents do have a right to receive a waiver for this request if you do not want your child's SSN on file.

## **STUDENT DRESS CODE**

Dress code for professionals is outlined in the employee handbook. However, personnel are expected to model appropriate dress code for students that reflect a positive learning environment.

MCES upholds that being well-groomed is one of the key factors in creating a positive, significant, and respectful learning environment. Students are expected to dress for success.

Appropriate decisions regarding appropriate school attire must be made before the student arrives on school property or campus. It is advised to send a change of clothing for students in their book bags so phone calls home for change of attire is limited.

If a student is sent to the Principal's office because of a dress code infraction, instructional time is interrupted for the student, the teacher, and the class. Time lost from class if the student is referred is unexcused.

The dress code is in effect while the student is on campus on any day school is in session and during any function that is held on the campuses of Miller County School System. The dress code remains in effect during school programs and events.

## STUDENT TESTING PROGRAM

Each student in the 3<sup>rd</sup>, 4<sup>th</sup>, & 5<sup>th</sup> grades will be given the Georgia Milestones Assessment (GMAS) in the spring. This test is used to determine strengths and weaknesses of each student and grade level achievement in the mastery of the Georgia Performance Standards.

Students in kindergarten are administered the Georgia Kindergarten Inventory of Developmental Skills 2.0 (GKIDS 2.0) to monitor progress toward mastery of kindergarten skills. This inventory test is ongoing throughout the school year.

These tests are extremely important to the student. Parents are urged to support the student by getting them to bed early, seeing that they have a good breakfast, and encourage a positive start before the test. Students who are tardy will not be allowed to enter a room where testing is already in progress.

## **CONFERENCES**

Parents are encouraged to meet with their child's teacher(s) on a regular basis concerning his/her progress in school. Conferences for teachers may be scheduled by calling the school secretary at 758-4140 or emailing the teacher to make arrangements. Conferences will be held during the teacher's planning period or after school. Conferences with the principal must be scheduled by calling the school secretary or by emailing him directly at [jard@miller.k12.ga.us](mailto:jard@miller.k12.ga.us).

### **BEFORE CONFERENCES**

- Decide what you want to ask the teacher. Discuss the upcoming conferences with your child to see if there is anything he/she would like you to talk about with the teacher. Discuss the concerns with your spouse. Ideally, both parents should attend the conference. To make certain all concerns are addressed, parents are encouraged to bring personal notes relating to the conference. Try to get the facts about a school situation before reaching an opinion regarding the situation.
- Determine what you can tell the teacher about your child. The teacher sees only one side of your child. There may be things you know about the child that could help the teacher better understand him/her.
- Be on time. Write down the time of your appointment and arrive promptly. The teacher may have other appointments after yours.

#### **\*\*\*Note\*\*\***

The first step of the process is to contact the teacher or person responsible for the reason of the complaint. The next step is to contact the principal. After discussing the complaint with the teacher, then the principal, parents may take the complaint to the Superintendent, then to the Board of Education. This is the proper chain of command in resolving a complaint at MCES.

## **CYBER SAFETY**

## **INTERNET**

### **Miller County School System Student Internet ~Acceptable Use Policy~ Terms and Conditions**

#### **Instructional Technology Usage and Guidelines**

Miller County Schools use instructional technology as one way of enhancing our mission to teach the skills, knowledge and behaviors students will need as responsible citizens in a global community. The Miller County School System utilizes MCBOE student accounts, MCBOE devices, and the MCBOE electronic network. Technology discipline offenses will be addressed as outlined in the **Discipline Procedures for Technology Infractions** and the misuse of technology may result in the restricted use of MCBOE and/or personal devices while on school grounds.

Chromebooks are issued by MCBOE to all classrooms and utilized by students during instructional time. Students assume the risk of damage to school issued chrome books if the device is damaged or lost during student use. Depending upon the extent which the Chromebook is damaged, the repair/replacement cost will vary between \$50.00 and \$250.00. The school will provide a billing description prior to the Chromebook being repaired/replaced.

The Miller County School System also believes staff and students should have open access to local, national, and international sources of information. The system, by providing access to electronic services via the Internet, recognizes the potential of such services to support curriculum and student learning. The goal of providing this access is to promote educational excellence by facilitating resource sharing, innovation, and communication.

Using the electronic services via the Internet is a privilege, not a right and all students and parents must sign the **Miller County School System Electronic Network Use Rules**.

The documents (in bold) mentioned above must be signed and on file. Failure to submit to the terms and conditions as prescribed by these documents may result in loss of privileges or disciplinary action.

## Electronic Network Use Rules

The Miller County School System believes staff and students should have open access to local, national, and international sources of information. The system, by providing access to electronic services via the Internet, recognizes the potential of such services to support curriculum and student learning. The goal of providing this access is to promote educational excellence by facilitating resource sharing, innovation, and communication.

While the Internet offers students and teachers access to a variety of information, the system recognizes misuse and abuse is possible. The system will make every effort to protect students and teachers from these misuses and abuses but it is the responsibility of each user to continuously guard against inappropriate and illegal interaction with the electronic services. The Miller County School System is taking all reasonable steps to ensure the Internet is used only for purposes consistent with the curriculum.

Using the electronic services via the Internet is a privilege, not a right. The privilege may be revoked at any time for unacceptable conduct. Unacceptable conduct includes, but is not limited to the following.

1. Using the Internet for any illegal activity, including violation of copyright or other contracts.
2. Using the Internet for financial or commercial gain.
3. Degrading or disrupting equipment or system performance.
4. Vandalizing the data of other users.
5. Gaining unauthorized access to resources or entities.
6. Invading the privacy of individuals.
7. Using an account owned by another without authorization.
8. Posting personal communications without the author's consent.
9. Posting anonymous messages.
10. Placing of unlawful information on a system.
11. Using abusive or otherwise objectionable language in either public or private messages.
12. Sending of messages that are likely to result in the loss of recipient's work or disrupting systems; or example a computer virus.
13. Sending "Chain Letters" or "Broadcast" messages to lists or individuals, or other types of communication which would cause congestion of the networks.
14. Using the Internet to send/receive messages and images which are inconsistent with the district's curriculum, and conduct guidelines. These include, but are not limited to, racist, sexist, pornographic, dangerous, and obscene messages and images.

The Miller County School System makes no guarantee of any kind, for the Internet service provided to the student. The system will not be responsible for any damages claimed or suffered by any child or parent relating to the use of the Internet. This includes the child's exposure to materials a parent otherwise would have a right of notice and/or consent to, pursuant to state or federal law. Use of any information obtained via the Internet is at the individual's own risk.

The Miller County School System believes that the benefits to educators and students from access to the Internet, in the form of information resources and opportunities for collaboration, far exceed any disadvantages. But ultimately, parent(s) and guardian(s) of minors are responsible for setting and conveying the standards that their child or ward should follow. To that end, the Miller County School System supports and respects each family's right to decide whether or not to apply for Internet access.

School computer systems are for use by authorized individuals only. Any unauthorized access to these systems is prohibited and is subject to criminal and civil penalties. Individuals using these systems are subject to having all activities on these systems monitored by the system or school personnel. Anyone using these systems expressly consents to such monitoring. Prosecution and/or account termination may occur with warning.

It is possible for all users to the Internet (including your child) to access information intended for adults. Although the Miller County School System has taken all reasonable steps to ensure the Internet connection is used only for the purposes consistent with the curriculum, the district or school cannot prevent the availability—or even begin to identify—inappropriate material elsewhere on the Internet. Computer security cannot be made perfect and it is likely that a determined student can make use of computer resources for inappropriate purposes.

By signing the signature page, you are acknowledging the following: I have read the Electronic Network Use Rules document, understand it, and agree to adhere to the principles and procedures detailed within. We understand and accept the conditions stated above, and agree to hold blameless, and release from liability, the Miller County School System, the sponsoring school, its subcontractors, and employees. I understand that my child is expected to use good judgment and follow the attached Electronic Network Use Rules in making electronic contact with others. Should my child breach the Electronic Network Use Rules, I understand that my child will lose all network privileges on the Miller County School System network and may be subject to discipline up to and including suspension or expulsion.

## **NETIQUETTE**

Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the Internet are often public in nature. General school rules for behavior and communications apply (See Below). The Internet is provided for students to conduct research and communicate with others related to instructional and academic needs. Access to Internet services will be provided to students who agree to act in a considerate and responsible manner. Students are expected to abide by the generally accepted rules of Internet etiquette. These include (but are not limited to) the following:

1. Be polite. Do not get abusive in your messages to others.
2. Use appropriate language. Do not swear, use vulgarities or any other inappropriate language. Illegal activities are strictly forbidden.
3. Do not reveal anyone's personal address or phone number.
4. Note that electronic mail (e-mail) is not guaranteed to be private. People who operate the system do have access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities.
5. Do not use the Internet in such a way that you would disrupt its use by others.
6. All communications and information accessible through the Internet should be assumed to be private property.

Remember, the fact that a user **CAN** perform a particular action does not imply that they **SHOULD** take that action.

## **NONDISCRIMINATION POLICY STATEMENT**

It is the policy of the Miller County Board of Education not to discriminate on the basis of age, sex, race, color, national origin, religion or handicap in its educational programs or employment practices. (BOE Policy CODE GAE.1)

## **ANTI-DISCRIMINATION NOTICE**

Federal law prohibits discrimination on the basis of race, color or national origin (Title VI of the Civil Rights Acts of 1964); sex (Title IX of the Educational Amendments of 1972 and Title II of the Carl D. Perkins Vocational Education Act of 1984); or handicap (Section 504 of the Rehabilitation Act of 1973) in educational programs or activities receiving federal financial assistance.

Employees, students and the general public are hereby notified that the Miller County Board of Education does not discriminate in any educational programs, activities or employment policies.

## **SCHOOL SAFETY**

Miller County School System has a Safety/Emergency Plan and Procedures Guide to address the safety needs of all of our students. This plan addresses tornadoes, fires, hurricanes, and other areas of danger that may be seen on our school campus. Students will go through the safety procedures periodically.

### **Fire Drills**

Scheduled fire drills will be held throughout the school year. The fire alarms will sound, and the following procedures will be followed:

1. Classes will leave the rooms at the command of the teachers. Students will walk in single file to the designated safety area. The last person to leave the room should close the door.
2. Order must be maintained to ensure safety for everyone. Students must remain quiet and orderly in a single line while in the safety zone.
3. Teachers will take a copy of their class rolls and 3 colored cards to the safety zone.
4. The teacher will use the class roll to ensure that every student has safely left the building. Teachers will use the colored cards to indicate if a student is missing. Students unaccounted for will be located by an administrator using a radio.
5. Everyone is to remain quiet and orderly in the safety zone until a signal is given to return inside the building.

### **Tornado Drills**

The Miller County geographic area is sometimes in danger of severe thunderstorms and possible tornadoes. If there is a threat of a tornado, an announcement of "CODE RED" will alert everyone via the intercom system. The following safety measures should be taken:

1. Teachers will have students move to inside wall & assume a crouched position with hands over their heads.
2. Order is very important. Students should remain quiet and attentive to any instructions that may be given.
3. Teachers will take a copy of their class rolls and 3 colored cards with them.
4. The teacher will use the class roll to ensure that every student is accounted for. Teachers will use the colored cards to indicate if a student is missing. Students missing will be located by an administrator using a radio.
5. Everyone is to remain quiet and orderly in position.
6. An announcement will be made when it is safe to return to the classroom.
7. If a school bus is caught in an open area during a threat of a tornado, the driver should assist the students to take cover in a shelter, ditch or ravine.

## **TRANSPORTATION (car/truck)**

Students are not to exit vehicle or enter the building before the 7:30 bell rings.

**All** Elementary students will be dropped off at the **front entrance only**. There will be faculty members out front to assist your students from the vehicles. For safety reasons, please do not enter the bus loading area to pick up or drop off a student. Do not drop off any elementary student in the back of the school building. **A TARDY STUDENT, ONE WHO IS NOT IN CLASS BY 8:00, WILL NEED THE PARENT TO COME INSIDE WITH THE STUDENT TO SIGN-IN THEIR CHILD.**

Each afternoon Elementary students K, 1<sup>st</sup> and 2<sup>nd</sup> grades will be picked up at the front entrance only. Students in the 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grades will be picked up at the flagpole with Faculty supervision. **Any student who has not been picked up by 3:30 p.m. will be taken to the Sheriff's Office located on West Pine Street.**

**Parents are encouraged to communicate with their child any arrangements for the day before the child leaves home.** Not knowing where or how to go home can cause distress to some students. All students and their parents should plan ahead each morning so that the student knows where to go each afternoon. **If an unexpected emergency** arises and a parent needs to change transportation for the afternoon, please call the office **before 1:45 pm.** This will give the office staff time to locate the student and get the message to them.

### **TRANSPORTATION (Bus)**

Every effort will be made to ensure that students who ride the bus arrive safely to and from school. Bus conduct rules are posted on each bus; students are expected to cooperate with the driver and observe all rules. Those failing to obey bus rules will be referred to the principal and will be subject to disciplinary action or suspension from the bus. Students must ride their assigned bus. (**In an emergency situation only**, parents may call the school secretary **before 1:45 p.m.** to notify school of the change in transportation.) Please, if at all possible, send a written note of changes with student to school with the date, driver's name, location where student will be dropped off, parent's signature and phone number.

### **BUS SAFETY RULES**

School bus transportation is a privilege that may be withdrawn for inappropriate behavior. While on the bus, students must:

1. Observe the same conduct as in the classroom.
2. Be courteous and use no profane language.
3. Do not eat or drink on the bus.
4. Keep the bus clean.
5. Cooperate with and respect the driver.
6. Stay seated in the seat.
7. Keep hands and feet to oneself.
8. Do not be destructive.
9. Keep head, hands and feet inside the bus.

**\*The bus driver is authorized to assign seats.**

## CONSEQUENCES OF BUS REFERRALS

When students are reported to the school office because of improper bus behavior, the following steps are taken: Disciplinary action is at the discretion of administration and is based on the severity of the incident.

**Fighting** – Automatic three (3) day suspension for first offense

**Vulgar language** – Automatic three (3) day suspension

1<sup>st</sup> Offense – Warning/Conference Call/Letter

2<sup>nd</sup> Offense – Paddling/one (1) day suspension

3<sup>rd</sup> Offense – One (1) day suspension

4<sup>th</sup> Offense – Three (3) day suspension

5<sup>th</sup> Offense – Five (5) day suspension

6<sup>th</sup> Offense – Ten (10) day suspension

After the 6<sup>th</sup> offense, the Miller County Board of Education will determine if the student is allowed to utilize future bus services. In the event a student is taken off the bus, it is the responsibility of the parent to provide transportation to and from school. A student suspended from riding one **bus may not ride any other bus** until the suspension time is over. All students suspended off a bus **MUST** be picked up from school by 3:30.

## SAFE STUDENT RIDING INSTRUCTIONS

Welcome to the **2022-2023** school year. We look forward to transporting your child this year. To insure that your child will have a safe riding experience this year, we ask that you review the safe riding instructions with your child now and periodically during the school year.

Statistics show children riding a school bus are much safer than in their parent's personal vehicle or any other type of transportation on the roadways. The Miller County Board of Education believes the school bus is an extension of the classroom; therefore the same rules of "Respect to Self" "Respect for Others" and "Respect for Property" will apply in route to the bus stop, departing from the bus stop and while on the bus.

Safe riding begins before your child ever leaves the house or arrives at the designated bus stop. In order to keep your child safe, your child needs to arrive at the bus stop five minutes before the scheduled pick up time, not before. These few minutes allow your child to arrive at the bus stop without the need to hurry. These five minutes will also limit your child's time near roadways and out in a variety of weather conditions for any longer than necessary.

### **While Waiting For The Bus:**

Students should wait away from the roadway at their designated stop. There should be no horse playing, pushing or shoving while coming to the bus stop or while at the bus stop. Students that do not live on the same side of the road as the bus pick up must wait on their side of the road until the bus arrives. If your child has to cross the road, they must wait for the bus to come to a complete stop and then wait for the driver to give instructions for when it is safe for them to cross.

### **While Loading The Bus At The Designated Stop (same side of road)**

Students must wait for the bus to come to a complete stop, wait for the entrance door to open and look to be sure the red stop lights are flashing before ever approaching the bus to load. When more than one student loads at the same stop, they must line up in a single file line just prior to the bus's arrival. There should be no pushing, shoving or horse playing while loading the bus. Students should always use the handrail when stepping up on the bus. Students should get seated in their seat as carefully but as promptly as possible and remain there until they reach their school or destination.

### **While Loading The Bus At The Designated Stop (opposite side of road)**

When a student has to cross the road to board the bus, they must stand on their side of the road. Students must wait for the bus to come to a complete stop, wait for the entrance door to open and look to be sure the red stop lights are flashing before ever approaching the bus load. Students must wait for the driver to give a verbal or physical sign that it is ok to cross the road. Even after all the above, students must quickly look both ways to be sure the road is still clear and all other vehicles have stopped. Students must always cross in front of the bus and should always use the handrail when stepping up on the bus. There should be no pushing, shoving or horse playing while loading the bus. Students should get seated in their seats as carefully but as promptly as possible and remain there until they reach their school or destination.

### **While On The Bus:**

Once students board the bus, the driver is in full charge of the safety of your child. Students must follow the listed "Bus Regulations" found in "Code of Student Conduct" to ensure a safe ride, whether it is from home to school or back home or any school-sponsored trips.

### **While Unloading The Bus At The School Or Destination**

Students should unload the bus in single file from front to back with no pushing, shoving or horse playing while unloading the bus. Students should use the handrail as they depart the bus until both feet are on the ground. Students should check for an approaching bus on the door side before stepping off the bus while unloading. Students should look both ways before crossing the traffic area and should clear this area as quickly and safely as possible. Students should never return to the bus without supervision of an administrator.

### **While Loading The Bus At The School**

Students should wait for buses in a safe area designated by the school. The bus should come to a complete stop and your child must wait for the driver to open the entrance door before approaching the bus. Students should look both ways before leaving the curb and crossing the traffic area to approach the bus. Students must watch for other buses pulling up to the door side while loading the bus. Students should line up in a single file in the order they arrive at the bus and should use the handrail to load. There should be no pushing, shoving or horse playing while coming to, while loading and while getting to their seat. Students should get seated in their seat as carefully but as promptly as possible and remain there until they reach their designated stop.

### **While Unloading The Bus At The Designated Stop**

Students should unload the bus in single file from front to back with no pushing, shoving or horse playing. Students should use the handrail as they depart the bus until both feet are on the ground. Students should exit the bus and clear the roadway and continue to move until they are safely away from the bus. Students who live on the opposite side of the road must cross in front of the bus while the bus is at their stop. When a student must cross the road, he or she should stop at the front of the bus and look both ways before continuing to cross. When all is clear,

students should clear the roadway as quickly as possible. Students should go directly home and never return to the bus for any reason. Please instruct your child to never retrieve an item that is dropped and goes under the bus. Students who have permission from parents to check their mailbox that lives on the same side of the road as their mail box must clear the roadway and wait for the bus to depart and traffic to clear before returning to the roadway to the mailbox. If your child lives on the opposite side of the road of their mailbox, they must cross over to their side of the road while the bus is at their stop. If your child has permission from you to check the mailbox and you live on the opposite side of the road of your mailbox, your child must also wait until after the bus has departed their stop and traffic to clear before crossing back over the road to check their mailbox.

### **Railroad Crossing**

History has shown that more lives are lost in school buses at railroad crossings than at any other location. Every time a school bus and a train collide; the train wins! This is why it is so important for the driver to have his or her full attention on the railroad crossing. There is no other time when a driver's distraction can cost the loss of so many lives. Please reinforce with your child the importance of being "Silent At All Railroad Crossings".

### **Bus Evacuation**

Due to the unforeseen circumstances beyond the bus driver's control, your child may have to evacuate a bus at some time during the year. The decision to evacuate may be solely because we have the best interest of the students in mind. When evacuating a bus is necessary, students are placed in a safer location while waiting for assistance.

Most evacuations are due to breakdown which may leave the bus in questionable surroundings. Not all breakdowns result in an evacuation; several factors are taken into consideration before the decision is made to evacuate a bus. The location of an inoperative bus is the greatest factor when making a decision to evacuate a bus. Some locations we feel necessary to evacuate may be, but not limited to being next to a high volume roadway, high speed limit roadway, on or near a bridge, on a steep hill, in a curve or near water.

When any type of evacuation occurs, students must follow the instruction of the driver to safely unload and to relocate in a safe location away from the hazard. On a rare occasion, the driver may not be coherent so we depend on the older mature students to help without placing them at any more risks. This type of evacuation is practiced with all students during each new school year so all students are aware of the safe evacuation practices with or without the driver's assistance. There are several reasons that a bus may have to unload from one bus to another bus without it being an emergency. We ask for you to periodically remind your child to stay calm whenever it is necessary to unload from one bus to another bus for any reason.

All buses are designed with several "Emergency Exits". These locations are, but not limited to the entrance/exit door, rear door, emergency exit windows and roof hatches. Students should always use the front entrance/exit door during all evacuations when possible. When the service door is not available, the second choice should be the back door. All other exits should be used only when the loading door and the back door are not practical. When the rear door is the chosen exit, selected older and mature size students are instructed to assist students to the ground. All students are instructed to leave all personal belongings on the bus and to exit from the front to the back of the selected exit location. Students are instructed to walk away from the bus at least 100 ft. in the direction away from the recognized hazard or hazards.

School bus transportation is such an important part of the education system in Miller County. We appreciate your assistance as we try to provide the safest and most efficient transportation for our precious cargo-your child.

## **STUDENT CODE OF CONDUCT**

Students and parents should recognize their responsibility to know the contents of this discipline handbook and to ask faculty or staff members for any clarification. The Miller County Board of Education does not discriminate on the basis of race, religion, color, sex, age, national origin, handicap, or disability in its educational programs, activities, or employment policies.

### **Why do we have a code of conduct?**

It is the policy of the Miller County Board of Education that each school within this school district shall develop and implement age-appropriate student codes of conduct designed to improve the student learning environment which will comply with state law and State Board of Education Rules. Each code of conduct shall include the following, at a minimum:

1. Standards of student behavior during school hours, at school related functions, on school buses and at school bus stops are designed to create the expectation that students will behave themselves in such a way so as to facilitate a learning environment for themselves and other students. The standards should be designed also to encourage students to respect each other and school district employees, to motivate students to obey student behavior policies adopted by this Board and to obey student behavior rules established at each school within this school district;
  
2. Behavior support processes designed to consider, as appropriate in light of the severity of the behavioral problem, support services available at each school, the school system and other public entities or community organizations which may assist students to address behavioral problems;
  
3. Progressive discipline processes designed to create the expectation that the degree of discipline imposed by each school will be in proportion to the severity of the behavior of a particular student, the previous discipline history of the student and other relevant factors, while ensuring that each student receives the due process mandated by federal and state law;
  
4. Parental involvement processes designed to enable parents, guardians, teachers and school administrators to work together to improve and enhance student behavior and academic performance. The process should enable parents, guardians and school employees to communicate freely their concerns about student behaviors that detract from the learning environment.
  
5. All other specific requirements as set forth in any existing State Board of Education Rule or in Georgia law.

The principal is the designated leader of the school and in concert with the staff is responsible for the orderly operation of the school. In cases of disruptive, disorderly, or dangerous conduct not covered in this Code of Conduct the principal may undertake corrective measures, which

he/she believes to be in the best interest of the student, and the school, provided any such action does not violate school board policy or procedures. The Superintendent fully supports the authority of principals and teachers in the school system to remove a student from the classroom pursuant to provisions of state law.

### **Statement of Purpose**

The purpose of this Code of Student Conduct is as follows:

1. To ensure an environment for learning which is protected from interruption and harassment;
2. To provide information to students and parents about the school system's rules of conduct and possible penalties for violations of these rules;
3. To provide uniform administration of discipline in the schools; and
4. To inform students and parents of when and under what circumstances the Code of Student Conduct applies.

As noted, these rules are designed to notify students of the types and range of behaviors that are unacceptable. However, it is not possible to specifically list every particular type of misconduct that is prohibited. Even though a particular type of misconduct is not listed as prohibited behavior, a student may nonetheless be punished for misbehavior that is criminal, threatens safety, or is substantially disruptive.

### **When the Code of Student Conduct Applies**

The rules contained in the Code of Student Conduct apply both during and outside normal school hours to students who are:

- A. On school property, including at a designated school bus stop;
- B. Off school property while attending a school-related activity, function, or event;
- C. En route to or from school or school related activities;
- D. Off school property but who engage in conduct which could result in the student's being criminally charged with a felony and which makes the student's continued presence at school a potential danger to the health or safety of others or which would disrupt the educational process; or
- E. Off-campus but who engage in expressive conduct (e.g., text messaging, internet posting) which, the student promotes or distributes while the student is on school property or at a school-related activity, or which causes, or reasonably threatens to cause, a risk of material and substantial disruption to the orderly operation of the school.

### **EXPECTED BEHAVIOR What Students Should Do**

Expected behavior is that behavior which promotes learning and is appropriate under the circumstances.

Students should:

**Participate Fully in the Learning Process:** Students should report to school and class on time, with everything that they need, attend all regularly scheduled classes, remain in class until

excused or dismissed, pay attention to instruction, complete assignments to the best of their ability, and ask for help when needed.

**Avoid Behavior That Impairs Their Own or Other Students' Educational Achievement:** Students should know and avoid the behaviors prohibited by this Code, take care of their books and other instructional materials, and cooperate with others.

**Show Respect for the Knowledge and Authority of Teachers, Administrators, and Other School Personnel:** Students must obey directions, use acceptable and courteous language, and avoid being rude or disrespectful, and follow school rules and procedures.

**Recognize and Respect the Rights of Other Students:** All students should show concern for and encouragement of the educational achievements and efforts of others.

### **Positive School Climate**

Miller County School District has a focus on implementing a positive school climate that encourages active learning and meaningful relationships. Every Miller County school has developed an individual discipline plan to ensure equitable practices in creating a positive school climate. The positive climate building process is an evidence --- based framework that assists school teams in implementing systems change. The primary goal of this framework is to help schools design effective environments that increase teaching and learning for all students. Through a problem-solving approach, the framework begins with examining and improving the entire school climate. Teams use data to examine the reasons behaviors are occurring and then implement changes and interventions designed to address the identified needs. The positive school climate approach is a preventative and proactive system of addressing discipline problems that includes fair and consistent discipline practices.

### **Standards of Behavior**

The following rules are considered *standards of behavior* and are mandatory and shall apply uniformly to ALL students. Any student who violates these standards will be disciplined according to these rules. Disciplinary actions may include, but are not limited to: Loss of privileges; Reassignment of seats in the classroom, cafeteria or school bus; Reassignment of classes; Separation in the classroom, cafeteria or school bus; Referral to Student Support Team/Counseling/Social Worker; Involvement of behavior interventionist/specialist; Removal from class; Bus suspension; Behavior plan/contract; Parent Notification/conference; In-school suspension; Out-of-school suspension; Detention; Expulsion; Assignment to an alternative educational setting.

4. If not already in the MTSS process, the student will be referred to Tier 3.

Before any chronic disciplinary problem student returns from an expulsion, long-term suspension or short-term out-of-school suspension, the principal of the school to which the student is to be readmitted shall:

1. Request that the parent schedule and attend a conference with the principal so as to devise, update, or modify a disciplinary and behavioral correction plan.

MTSS involves an interdisciplinary group who works collectively to improve the delivery of instructional services to students as well as serves as a resource for teachers and other educators in the delivery of these services.

Parents may be invited to participate in the meetings to discuss their child's MTSS status and in the development of interventions for their child. Parent participation is encouraged. The MTSS documents shall be placed in the student's permanent file and copies given to all involved. If an MTSS plan is utilized as a result of a discipline referral, parents shall receive a copy of the report and information on how to contact the principal.

It is recommended that after five (5) cumulative days of out-of-school suspension, the MTSS process be initiated. At this time, consideration of the student's behavior, lack of response to the behavior correction plan, and lack of response to being removed from the regular program must be considered. When the number of out-of-school suspension days reaches eleven (11) or more in any semester, the MTSS process shall be initiated to develop or review the behavior correction plan and document the need for the out-of-school option or alternative educational placement.
