

VA@R VOYAGERS

VIRTUAL ACADEMY @ RANDOLPH

Good evening Voyagers

This is Justine Carter, principal of the Virtual Academy @ Randolph, with a few announcements for next week.

This week is B week for our elementary students, which means our Kindergarteners, 2nd graders, 4th and 5th graders will have recess during their PE block and our 1st and 3rd graders will have PE. Parents of 3rd-8th grader students-remember that your child will take his/his NC Check-Ins THIS WEEK. All 3rd-8th graders will take the ELA Check-In on Tuesday, October 26th, the Math Check-In on Wednesday, October 27th and 5th and 8th graders will take the Science Check-In on Thursday, October 28th. All students will login with their teachers at 7:55 to review directions. All NC Check-Ins will be completed virtually. Students will need an individualized student code for each NC Check-In: this code was listed on the colored papers that were distributed last Wednesday. If you have not picked up your child's required testing materials, please come by the Virtual Academy @ Randolph from 7:30AM-4:00PM to pick up the required testing materials prior to Tuesday, October 26th.

Attention Middle School students AND parents-all middle school teachers will have office hours from 9-12 on Tuesday, October 26th-Wednesday, October 27th. Please attend these office hours, after you finish your NC Check In, if you need assistance completing ANY and ALL missing assignments. The link to the teachers' office hours will appear in your Google Calendar. Use this time to get caught up on all missing assignments before the grading periods ends!

Parents who still need assistance with virtual learning, need help assisting your child with all the virtual tools, need help getting Parent Portal to monitor your child's attendance and grades, or just need assistance in general-please call Mrs. Pugh in the main office to schedule a live Google Meet with Mrs. Carter, Mrs. Chriscoe, and Mrs. Ricks. Parents can schedule a 20-minute session from 8:00AM-7:00PM starting Monday, October 25th-Thursday, October 28th.

Parents-We need your feedback on the Cognia survey that is linked to our Virtual Academy @ Randolph website. Please take a few minutes to click on the survey link and provide your feedback. Parents-we also need you to select your parent representative for our School Improvement Team. We had 2 parents submit their names and a brief biography. Please access the Google Form Ballot on our Website on Monday, October 25th to vote for your School Improvement Team Parent Representative. Voting will end Monday, October 25th at 3:30PM.

Students-this week is Red Ribbon Week and we need your spirited participation this week in your live Google Meets. Monday is "Good Choices are the key to your DREAMS" so get to wear your pajamas; Tuesday is Drugs and bullying are so OLD SCHOOL-so you get to dress from a previous decade; Wednesday is Put a LID on drugs and bullying-so you get to wear your hats; Thursday is Go RED to show you are drug free-so wear lots of RED.

Friday, October 28th is picture day from 8:00AM-12:00PM. Pictures will be taken inside. ALL 3rd-8th grades students, please use this day to return the required state NC Check In materials to The Virtual Academy @ Randolph. Remember Friday, October 29th is a teacher workday; thus, no school for students.

Finally-parents please remind and assist your student in attending all his/her live Google Meets in a timely manner. Daily attendance is taken from the live lessons.

We hope everyone had a restful weekend and we look forward to seeing you virtually tomorrow. Have a great evening.
