

PARENT AND FAMILY ENGAGEMENT

The Jefferson Davis Parish School Board recognizes that parent and family engagement must be a priority of the School Board for children to learn and achieve academic success. Parents and families provide the primary educational environment for children; consequently, parents are vital and necessary partners with the School Board throughout their children's elementary and secondary school careers. The term *parent* shall refer to any caregiver who assumes responsibility for nurturing and caring for children, and includes parents, grandparents, aunts, uncles, foster parents, stepparents, and others. The concept of parent and family engagement shall include programs, services, and/or activities on the school site, as well as contributions of parents outside the normal school setting.

It shall be the policy of the School Board and each public school in Jefferson Davis Parish, in meaningful collaboration with parents, teachers, students, administrators, and other educational resources, to establish, develop, and maintain strategies and programs that are intended to enhance the engagement of parents and other caregivers that reflect the needs of students, parents, and families served by the School Board, in accordance with applicable state and federal laws and regulations. As part of the parent and family engagement program, it shall be the responsibility of every school to create a welcoming environment, conducive to learning and supportive for comprehensive family engagement programs that have been developed jointly with parents/families.

DISTRICT LEVEL RESPONSIBILITIES

At the district level, the School Board shall:

1. Involve parents and family members in the joint development and amendment of the school district's plan, which includes components of the district's parent and family engagement program, to be submitted to the Louisiana Department of Education.
2. Provide coordination of various programs which involve parents, technical assistance, and other support necessary to assist every public school in Jefferson Davis Parish in planning and implementing effective parent and family involvement activities to improve student academic achievement.
3. Coordinate and integrate parent and family engagement strategies with other relevant programs that promote parent engagement.
4. Conduct, with the meaningful involvement of parents and family members, an annual evaluation of the content and effectiveness of components and strategies of the School Board's parent and family engagement program and assess the components' and strategies' usefulness. The evaluation shall attempt to identify

ways of improving the academic quality of the schools served by the School Board, including identifying barriers to greater participation by parents in educational and parent and family engagement activities; particular attention shall be directed to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background. The School Board and each school shall use findings of such evaluation to design strategies for more effective parental and family engagement, and to revise, if necessary, the parent and family engagement policies and procedures.

5. Distribute to parents and families, in a language the parents can understand, information about the Jefferson Davis Parish School Board's parent and family engagement program, as well as provide proper notification to parents about specific services or special programs, as required by state or federal law.

2. Offer a flexible number of engagement meetings at convenient times to maximize parental participation, and may provide transportation, child care, appropriate refreshments, and/or home visits, as such services relate to parental engagement.
3. Involve parents in an organized, ongoing, and timely way, in the planning, review, and improvement of parent and family engagement programs, including the planning, development, review, and improvement of the school parent and family engagement policy and the joint development of the school-wide parent and family engagement program plan.
4. Provide parents, especially those of participating children:

 - B. a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of state academic standards;
 - C. if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the

education of their children, and respond to any such suggestions as soon as practicably possible; and,

- D. the School Board's written *Parent and Family Engagement* policy.
5. If the school-wide parent and family engagement program plan is not satisfactory to the parents of participating children, submit any parent comments on the plan when the school makes the plan available to school district level personnel.

SHARED RESPONSIBILITIES

As part of the parent and family engagement program, to build a capacity for involvement, the School Board *and* each public school under the jurisdiction of the School Board:
