Number of school staff with a positive COVID test on the week of May 2-6: 3

Disclaimers:

- It is possible to have quarantine situations on a campus without a confirmed student case. These situations occur as a result of a close contact with an employee.
- These numbers do not include students who are quarantined by the Mississippi State Department of Health for situations that are not school-related.
- These numbers could differ slightly from the numbers on the Mississippi State Department of Health website due to reporting deadlines and adjustments.
