7th Grade Newsletter

Week of November 16th, 2026

Math Mrs. Jarrett mjarrett@rappahannockschools.us **Block 1:** We are starting on Probability and Statistics. The students will use statistical investigation to determine probability of an event and describe differences between experimental and theoretical probability. **Blocks 2 & 3:** We are still working on our unit on two-step inequalities. The students are learning to write and solve one- and two-step linear inequalities with one variable. Please do not hesitate to reach out with any questions, comments or concerns.	English Miss Rowell mrowell@rappahannockschools.us We are starting to review for our Unit Test 3. We are continuing to practice summaries, inferences, and themes. We are continuing the novel Freak the Mighty. Please do not hesitate to contact me if you have any questions, comments, or concerns.
Civics Mr. Hummill mhummill@rappahannockschools.us We have wrapped up local government and will begin our last unit of the quarter on politics. This is a big unit and will feature at least one test and one quiz.	Science Mrs. McCabe emccabe@rappahannockschools.us We are reviewing for our benchmark on Thursday. Questions or concerns? Please feel free to reach out with an email.

Important Notes and Reminders

Effective immediately, NeeDohs and all other squishy toys containing liquids, gels, or similar substances are not permitted in classrooms.

These items frequently burst or leak, creating a mess and posing a risk of damage to school computers and other technology.

We appreciate your cooperation in helping us keep our classrooms clean and our equipment protected.

Supporting Student Success

To help students stay on track, those with missing assignments or failing grades will now be assigned recess time to complete work and improve their grades.

Our goal is to build responsibility, good work habits, and accountability as we prepare our 6th and 7th graders for the expectations of high school. Students will continue to have opportunities for physical activity during their PE classes.

Thank you for your support in helping our students succeed- and as always, please reach out with any questions or concerns.

Interims go home Monday, November 16th.

Thanksgiving Break is November 23rd -27th.
