## Havasupai 's January Newsletter

A message from our  
Principal

Just a friendly  
reminder...Please be sure  
you are using the  
crosswalk to cross the  
parking lot and street  
before and after school. It  
is important that we  
model these safety  
procedures for our young  
ones. We appreciate your  
support in keeping our  
students safe!

### SCHOOL PLEDGE

Today I will be  
respectful,  
responsible, and  
show pride in myself  
and in my school.

We look forward to even bigger and better things

*in the New Year!*

## Nurses Nook

COVID has not gone away. If anyone in your house or in close continuous contact with your student has been tested for COVID, please keep them home until you have a result. Keeping exposure at a minimum is important to prevent spreading it. Please contact the nurse about any testing or exposure. My job is to keep students safe in all areas and I need your help to do this. I don't like to send students home, but ALL students are my responsibility. Testing is free and there are several sites to go to. Continue to maintain social distancing. Wash your hands frequently. Masks are no longer mandatory but highly recommended. Masks are available in the Health Office. Thank you for helping me keep our students safe.

When your student turns 11, they are due for a Tdap and Meningococcal immunization. These shots are due two weeks after they turn 11. If they can't be done at the birthday, notifying the nurse of the appointment date will do.

### CHARACTER TRAIT TRUSTWORTHINESS

An example of  
Trustworthiness  
is when other  
people can count  
on you to do the  
right thing.

# Meet our New Counselor, Mrs. Riviera

Hi, my name is Patty Riviera and I am the new counselor at Havasupai Elementary school. My husband and I moved to Lake Havasu City in 2010, but my parents and my younger brother were one of the first families to move here in 1974. I was back in Michigan going to college and graduated with my Bachelors and Masters degrees from the University of Michigan in Ann Arbor. I have worked with children and their families most of my career both in Michigan and since moving to Arizona. As the school counselor, I will be working with students both individually and in small groups to provide support and assist them with discovering and developing problem solving, decision making, and social skills along with insights into their developing personalities. I am so excited to be a part of the Havasupai "family" and I look forward to getting to know everyone better. I am a good listener and a team player, so we can all work together to make each student's experience at Havasupai Elementary a happy and productive learning adventure.

## P.A.W.S Reading Program Precious Animals with Students

This program gives students grades 1st-4th the opportunity to read to trained dogs, with parent consent.
