Highlights from Letters to Power 88

- **"For many years I refused to listen to Christian radio stations because all they had to offer were poorly educated preachers who made up in volume what they lacked in preparation. Today thanks to**

your station, I listen as much as I can. It is a lifetime of reliable information, in stark contrast to the biased secular media, as well as a well-spring of the very best in Christian teaching. Thank-you! I love your station and appreciate all you're doing. I pray God's blessings on you." Mobile, AL
