Student Council Enjoys Adventure

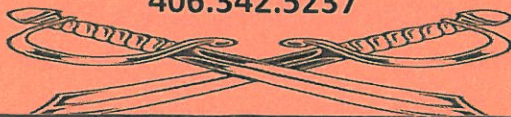

On March 16, the student council hosted its annual fun day in Bilings. Students who participated in selling concessions five times this year were allowed to take part in this adventure as a fun way to celebrate their contributions to pitching in and helping out.

Seven students attended along with advisor Joel Buchmann and chaperone Robin Weinmeister.

The group began at the Grand Escape Room where one group escaped with minutes to spare and the other group almost managed to get out. After that, they went to Wild Rose Action Center to enjoy some "splat blast". Lunch at Subway revived them, and they finished the day participating in glow-in-the-dark mini golfing where Mr. Buchmann proved to be the superior golfer. After stopping for some treats on the way home, the group arrived back in Hysham in the early evening.

Many thanks to the students who helped with concessions this year. Without the efforts of these kids who were willing to serve and fill in when needed, we could not staff concessions for the games. Some students really pitched in to make it work. Kudos to those who served!
