Employee Acknowledgment of Worker's Compensation Network

I have received information that tells me how to get health care under my employer's workers' compensation insurance.

If I am hurt on the job and live in a service area described in the information, I understand that:

1. I must choose a treating doctor from the list of doctors in the network. Or I may ask my HMO primary care physician to agree to serve as my treating doctor. If I select my HMO primary care physician as my treating doctor, I will notify Human Resources or Workman's' Compensation carrier.
2. I must go to my treating doctor for all health care for my injury. If I need a specialist, my treating doctor will refer me. If I need emergency care, I may go anywhere.
3. The insurance carrier will pay the treating doctor and other network providers if my employer decides not to cover the cost.
4. I might have to pay the bill if I get health care from someone other than a network doctor without network approval.
5. Making a false or fraudulent workers' compensation claim is a crime that may result in fines and or imprisonment.
