

## **Sports and Clubs Offered at Northeast Middle School**

### **Sports Opportunities**

The following are school sponsored sports that are offered at Northeast Middle School. They are separated into four seasons. Fall, winter 1, winter 2, and spring. You will also notice that not all grade levels can participate in all sports. For example, football is strictly for 7th and 8th grade students who attend Northeast. For more specific information on specific sports dates and schedules, please visit the link [HERE](#).

### Clubs Offered at Northeast:

At Northeast Middle School, clubs give students the chance to explore interests, build friendships, and develop important skills outside the classroom. Our goal is to provide opportunities that foster creativity, teamwork, leadership, and a sense of belonging, helping students grow socially and personally during these important middle school years.
