

# Mrs. Davis' Newsletter Feb.12-15,2024

**Reading:** This week we will work on asking and answering key details to show understanding of text. We will also work on describing how characters respond to challenges. Students will work on identifying the lesson or central message of a text. Students will describe the beginning, middle, and end of text.

**English:** This week we will continue to work on identifying adverbs. Adverbs describe verbs. They answer, how, when, or where. Review skills: nouns, verbs, adjectives.

**Phonics:** We will introduce Unit 8. Please refer to the parent letter that was sent home for this unit's skill and trick words to know.

**Writing:** Later this nine weeks we will introduce and work on learning how to write explanatory pieces. Explanatory includes a topic, uses facts, and provides a closing.
