

SPILLERS ORTHODONTICS  
*Scholarship*

I am very excited to once again offer The Spillers Orthodontics Scholarship Program. Spillers Orthodontics will be providing a \$1,000 scholarship to two (2) graduating high school seniors that are either current or former patients of Spillers Orthodontics. The scholarship may be applied toward tuition, books, fees, or any other related expenses for the student's first year of college. Checks will be made payable to the institution of choice.

Scholarship applicants must submit the two-page application, two letters of reference, and an essay highlighting a particular person or event that has influenced your personal life and future aspirations. The essay must be 500 words or less. The criteria for the scholarship will be based on achievement, leadership, and service throughout the high school years, along with the essay and references. These attributes can be represented through school, community, or church activities.

Completed applications are due by **March 1st** and can be dropped off or mailed to:
