East Hickman Intermediate School
Week of April 6th

NOTE FROM MRS. DICK

I hope everyone had an amazing break! This week, we will start our spring training for TCAP, so we can knock it out of the park! Our enrichment team has been putting in those extra innings to plan a fun review for our students. I know our students are going to show up and show out this year because they have put in the hard work.

Proctors are needed, so please contact the office if you can spare a few hours in the morning to help with TCAP. We will test April 20-22 and April 28-30. As you talk with your kids about TCAP, please remind them just to show up and do their best. They are ready! We don't want this to be a stressful time, but an exciting time for EHIS to show how much we have grown this year.

I can't wait to see everyone tomorrow and hear all those Spring Break stories! As always, please reach out with any concerns or questions.
