

The Fannin County School System is excited to announce that all enrolled students will be provided breakfast and lunch at no cost for the 2024-2025 school year. The District will participate in Community Eligibility Provision (CEP), a U.S. Department of Agriculture service.

**CEP eliminates the need for household meal applications for free and reduced meals. All students receive meals at no cost.**

Children need healthy meals to learn. The Fannin County School System offers nutritious meals every school day in partnership with the U.S. Department of Agriculture's National School Lunch and School Breakfast Programs.
