

Confident. Considerate. Creative.

DATE: December 2, 2024

TO: School Board Members

FROM: Joanne Kallunki

SUBJECT: Clatskanie Middle High School's Principal's Report to the CSD School Board

1. Academic Excellence:

- The first quarter of the Running Start program with Lower Columbia College wraps up on December 6th. A total of three students participated in the Running Start Program for the fall quarter. Four students are anticipated to start the winter quarter.
- CMHS offered its first optional "Student Work Day" during fall parent/teacher conferences. This was an opportunity for students to come into the school and get adult support with completing course work or missing assignments. Three educational assistants and one community volunteer were present from 10-3 to provide assistance, while teachers rotated through to provide student support between conferences. The district also provided transportation for students who needed it. Over 20 students attended the student work day.
- The University of Oregon was at CMHS and met with interested Seniors.
- 9th Grade Success and Student Study Team meetings are happening regularly and both teams are working hard to ensure interventions and supports are being implemented and utilized for students who need them.
- Modified ELA and math classes have been created and fully implemented for both middle and high school students who need modified course work.

2. Staff Development:

- Special education and intervention teachers received additional training on understanding and utilizing Freckle data to help students and guide instruction.
- Educational assistants have started training in the 321 Insights platform. The first module all EAs are working on focuses on creating safe and supportive environments for students.

- Teachers have been provided introductory training on the district's new evaluation framework: 5 +1 dimensions of teaching through the University of Washington.

3. Student Engagement and Well-being:

- The first Adi's Act lesson was successfully facilitated in all middle and high school advisory classes
- The Student Health Survey was conducted with students in grades 6, 8, and 11. Data from this survey will be available to the district in early 2025
- Mrs. Brewer accompanied members of ASB and the Leadership class to the OASC High School Fall Leadership Conference in Seaside, OR
- Middle school students attended their quarter 1 incentive trip to Urban Air in Vancouver. 74 students qualified for this incentive trip.
- Over 100 students were recognized at an assembly for having no tardies for the first two months of school.

4. Extracurricular:

- The girls HS Volleyball team qualified for the Final 8 State Championships in Redmond. They finished in 6th place at the State Championships.
- The winter sports season has begun. Practices have started for high school girl's basketball, boy's basketball, wrestling, and middle school boy's basketball.
- A Unified Sports basketball team has been formed and will start practice at CMHS in January.
- The theater program just completed Tech Week for their upcoming performance of *Ranked*. Dress rehearsal will begin after Fall Break, and their first performance will take place on December 12th.

5. Conclusion:

Thank you for your continued support of Clatskanie Middle High School!

Please feel free to reach out if you require additional information or clarification on any aspect of this report. I am more than happy to provide further details as needed.

Thank you for your time and consideration.
