Student Spotlight: Mikhale Simpson

Dear Members of the School Board,

I am delighted to bring your attention to one of our outstanding students, Mikhale Simpson who embodies Clatskanie Middle High School's values of confidence, consideration, and creativity. It is with great pleasure that I present this report to showcase Mikhale's remarkable qualities and contributions to our school community.

Some of the things Mikhale's teachers say about her include:

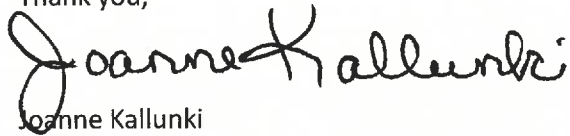

- Mikhale has been very focused on being successful in class this year. She has been conscientious and works diligently in class to complete her classwork and perform well on the tests and quizzes. Her classwork is done at a high level and looks very professional. She is proactive and unafraid to ask clarifying questions when necessary. It has been great to see Mikhale's determination and hard work result in her academic success in class this year.
- Mikey has grown in her perseverance and class involvement over the years. She is engaged in the learning process and shows a smile more often.
- Mikhale participates and contributes positively to class conversations.
- Mikhale's academic growth has been remarkable! The amount of effort, focus, determination, and active participation that she pours into her classes show a real commitment to achievement. Her positive energy and earnest inquiries into learning are a bright spark to the dynamics of the classroom. She has quietly become an inspiring role model for her peers and should be very proud of her hard earned accomplishments.
- It has been an absolute pleasure having her [Mikhale] in class over the past few years. She does a great job making sure she is getting her work done and advocating for herself

when she needs the help. Her dedication to success is admirable and I have no doubt that she will continue this throughout the rest of high school and beyond.

Mikhale's dedication and character are truly commendable and reflect the high standards of excellence that we uphold in Clatskanie School District.

Thank you for your attention and support in celebrating our exceptional students.

Thank you,
