

# Reading Bingo

Color in each square as you complete the reading task. Remember, you can read anything. You can read the back of a cereal box, a book, online books, books on YouTube, junk mail, game instructions, magazines, your shampoo bottle or anything you can find with words.

Bring your completed Bingo sheet to library class the week of Jan. 18-21 to earn a limited-edition winter embellishment. If you can't print your bingo sheet, just draw it out on a sheet of paper.
