7904 N. Moseley Rd.
Colcord, OK. 74338
918-505-1000
Superintendent
Machele Potter

**Board of Education**

Wenona Studards- President
Dustin Kellison- Clerk
Teresa Frazier- Member

Tiger Families,

Due to previous weather-related closures, school will be in session on **Friday, April 3, 2026**. This day will now serve as our final make-up day to ensure all required instructional time is met. All students and staff are expected to attend according to the regular schedule.

State Testing OSTP for grades 3rd-8th will begin on April 13th, 2026

State tests provide valuable insight into how students are progressing in key subjects like reading and math. They help teachers and schools understand what students are learning well and where additional support may be needed. These assessments also play a role in evaluating school performance. The results help districts make decisions about curriculum, resources, and programs to better serve all students. Your child's teacher will know the scheduled testing date(s) for their specific grade level next week.

You can support your child during testing by:

- Encouraging them to do their best
- Making sure they get a good night's sleep
- Reminding them to eat the healthy breakfast provided
- Keeping a positive and calm attitude about testing
