

# WELCOME TO SAMS P.E.

2022-2023

Welcome to a new year of Physical Education with Mrs. Coy and Mr. Hoover. We are so excited for the upcoming year, and we can't wait to see each and every one of you. We have some very exciting things planned for the upcoming year. We wanted to make you aware of some expectations so we have a fun and successful year together. We're a team and we are the most successful when we all do our part. We'll be using the locker rooms to change into athletic attire and appropriate footwear. Proper clothing and footwear are very important to managing good hygiene and safety in our class. Proper clothing and footwear are a large part of your success in Phys Ed. Your role plays a big part in the success of Phys Ed for the entire year. Please come to class prepared, ready to learn, participate and have fun!

We'll give you more information on dressing out and our class expectations during the first few days of our class so you don't need to worry about bringing clothes during the first couple days. We'll let you know in class what date we will begin using the locker rooms and dressing out.

We will be communicating grades and comments through Skyward.

Class information will be posted to Google Classroom.

Please let us know if you have any questions or concerns. Our goal in class is for everyone to have a positive experience learning new and exciting ways to become more active throughout their lifetime.

Thank you,

Mr. Hoover & Mrs. Coy
