**Feagin Mill Middle**

## What do you love about your school?

I feel our teachers and support staff are some of the best in education. Their love for our students and their families is evident in their practices. We set high expectations and work hard to help students and each other achieve success. Feagin Mill is home to a family atmosphere, and I am blessed to be a member of the Wolfpack.

## What do you love most about being a principal?

I love working with people. I love hearing the ideas of our staff members and helping bring those ideas to life. Observing our students' progress socially and academically is a reminder of why I love education. My favorite parts of the day are interacting with staff and students. I feel my job is to do everything I can to help staff and students achieve success. I really enjoy each and every day at the Mill.

## Tell us about the person who inspired you to become a leader.

My father, Barry Sams, always led our family by example. Even from a young age, he instilled in me to do a job right, treat everyone with respect, and love what you do. I must also mention my former principal, Paige Busbee. She modeled great leadership and pushed me throughout my career to take on challenges.

## Fun Fact

I played center for the Warner Robins High School 1988 State Championship football team. My brother, Paul, played alongside me on the offensive line.
